Describe the Issuer's Business, Products and Services

Hollywall Entertainment, Inc., www.hollywall.com, is a multifaceted media and entertainment company focused on maximizing its rights to its music, film, television, and home video and software game libraries. The company continues to develop a digital distribution and verification system designed to maximize customer delivery, quality control, and revenues for artists, writers, content developers, copyright owners and shareholders. Hollywall owns exclusive and nonexclusive rights to market, manufacture and distribute over 17,500 songs from Music Recording Masters. **Hollywall's recorded music master rights consist of all the "Proprietary Rights", as outlined in its original contracts on file.** The master recordings contains performances by such legends as ***Ray Charles, The Jackson 5, Frank Sinatra, Tony Bennett, Marvin Gaye and Duke Ellington****.* The music master recordings include songs that have never been released in addition to songs that have been released by other record companies which hold similar licensing rights to market the songs.

Hollywall has introduced three major business lines that embody the Hollywall vision of serving both consumers and entertainment industry participants. These new media Networks are: hollywallmusic.com, hollywall.tv, and hwradio.com. They are part of the Hollywall Digital Media division.

Hollywall Music- www.hollywallmusic.com

The company believes the Hollywall Music's digital distribution and verification system is revolutionary and will change how the media and entertainment industries conduct their businesses in the future. "Hollywall Digital Network " is an electronic, real-time licensing process simplifying the current time- consuming, costly procedure for obtaining rights by and for artists, writers, content developers, authors, music performers, producers, publishers, composers, TV and video producers, copyright owners and production supervisors. Instead of taking weeks or months to establish a license, Hollywall Digital Network collapses the process into hours/days while maintaining 100% copyright integrity and transparency.

Hollywall Digital Network will increase revenue of Hollywall Entertainment. With Hollywall Digital Network next generation licensing platform users can transact business rapidly in today's music industry, improving customer delivery and quality control. Also, Digital Network is a repository for artists' works as well as an Electronic Digital Record Label through which artists can market their creative works. They can market either by shopping their works directly to consumer site members who have opted to accept such solicitations or by making their catalog of offerings available for potential licensees to browse.

HW Radio-www.hwradio.com

On HWRadio.com, users can listen to their favorite artists' songs and extensive music collections in many genres from decades of legendary performances from the Hollywall music libraries and from other sources. Additionally, music industry members can research potential licensable music and content.
