6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuer's business operations;

DNA Dynamics, is engaged in the development of interactive games and applications for smartphones, tablet devices and other platforms.

DNA Dynamics is currently searching for a location in New York as the business grows and diversifies. Development on a new technology platform has already commenced and details we be announced as the development progresses.

We have traditionally derived our revenue from two aspects of our business: (1) the development and publication of games and related applications based upon our own proprietary intellectual property and (2) the development of games and related applications to be marketed by third parties based upon intellectual property that we license from third parties. Our primary focus is on building our own direct development and publishing revenue streams, however, we will continue to develop work for hire for third parties when the right project presents itself. Our products are developed for smartphones and tablet devices. Our primary market is the Apple (IOS) and Google (Android) markets for which we develop and publish games and applications for the iPhone, iPad, Android smartphones (Samsung, LG, HTC) and Android tablets (Acer, ASUS, HTC and Samsung).

In July 2017, Carl Grant was appointed CEO of the Company.

On March 13, 2018, the Company, through its UK Subsidiary, DNA Interactive Games Limited, sold its BitCoin ATM Patent ("Patent") for $312,500 to Bitcoin ATM Patent, LLC, an investment group formed to acquire this foundational patent. Pursuant to the terms of the patent assignment, an initial deposit of $150,000 was due at signing, and the remaining $162,500 due on June 15, 2018. During the quarter ended March 31, 2018, the Company received $37,500 as payment on the agreement, and an additional $125,000 was received by the Company subsequent to March 31, 2018. Acquired in January 2018, the Patent covered Bitcoin transactions via ATM.

SUBSEQUENT TO JUNE 30:

The buyer of the patent subsequently defaulted on their payments and a new timeline for payment is being agreed. The Company expects the full funds to be available to it by mid-September.

Contemporaneous with the sale of the Patent, the Company formed Blockchain DNA, LLC, a Florida limited liability company, and wholly-owned subsidiary, was incorporated.

In June 2018, the Company contracted the services of Michael Latjay, an expert in monetizing technology as its first step to building a successful Board.

In August 2018, the Company contracted the services of Greg Trautman to further enhance the Board and facilitate a successful launch of their Match Skillz game.

A. Date and State (or Jurisdiction) of Incorporation:

Originally incorporated in Delaware on July 1st 1981. Redomiciled in Wyoming on April 13, 2018;

B. the issuer's primary and secondary SIC Codes;
