#### **4) Issuance History**

On February 10, 2014, XRT issued 3,333 shares of common stock (1,000,000 shares of XR common stock after the June 1, 2014 closing of the Acquisition Agreement dated March 11, 2014 (see Note 1)) to Global Media Network USA, Inc. ("Global Media") for certain investor relations services in connection with the then contemplated reverse acquisition of XR. The Company recognized a stock-based compensation of \$730,000, which is based on the \$.73 closing trading price of XR common stock on February 10, 2014, in Other Expenses in the Consolidated Statement of Operations for the period February 7, 2014 (inception) to December 31, 2014.

Also on February 10, 2014, XRT issued 96,667 shares of common stock (29,000,000 shares of XR common stock after the September 1, 2014 closing of the Acquisition Agreement dated March 11, 2014 (see Note 1)) to Sterling in exchange for certain oil leases assigned to XRT effective May 31, 2014 (see Note 5).

Effective May 14, 2014, the Company increased its authorized shares of common stock from 100,000,000 to 500,000,000 shares and authorized 50,000,000 shares of preferred stock, with a par value of \$.0001.

On June 1, 2014, the Company delivered to XRT 30,000,000 newly issued shares of XR in the name of XRT Shareholders in exchange for 100% of the XRT shares. Concurrently, the Company's controlling shareholders of the legal acquirer delivered and assigned a total of 19,000,000 shares registered in their names to the Company for cancellation. The transaction was accounted for as a reverse acquisition in which XRT is deemed to be the accounting acquirer. The capital balances have been retroactively adjusted to reflect the reverse acquisition. The shareholders of the legal acquirer retained 3,818,800 shares of XR common stock, which has been reflected at the (\$50,873) amount of negative identifiable assets of XR at June 1, 2014 (see Note 4).

On June 5, 2014, the Board authorized and issued 10,000,000 shares of Series A Convertible Preferred Stock to Sterling Properties, LLC, the now majority shareholder of the Company and an entity owned by the family of the Company's Chief Executive Officer. The Series A Preferred Stock has 25 votes for each share, but no less than the majority of voting rights, has a liquidation preference of \$0.0001 per share and does not participate in any dividend declared with respect to the common stock. Also, each outstanding share of Series A Preferred Stock is convertible at the option of the holder into one restricted share of the Company's common stock. As a result, the Company recognized stock based compensation of \$10,200,000 based on the fair-market value of the underlying common stock on the date of issuance, which was \$1.02 per share, in Other Expenses in the Consolidated Statement of Operations for the period February 7, 2014 (inception) to December 31, 2014.

On June 11, 2014 (see Note 9), the Company issued a total of 10,100,000 shares of XR common stock to six Beacon individual and corporate assignees in satisfaction of an XR \$25,000 convertible note plus accrued interest of \$1,643. The Company recognized stock-based compensation of \$10,477,357 based on the excess of the fair market value of the underlying common stock on June 11, 2014 (\$10,504,000 based on the \$1.04 closing trading price of XR common stock on June 11, 2014) over the amount of debt satisfied (\$26,643), which has been included in Other Expenses in the Consolidated Statement of Operations for the period February 7, 2014 (inception) to December 31, 2014.

On October 22, 2015 the company issued 4,000,000 shares of common Stock for conversion of debt, and 4,000,000 shares of common stock on October 23, 2015 for conversion of Debt. These shares were valued at \$.025 per share.

#### **6) Issuer's Business, Products and Services**

A. A description of the issuer's business operations

XR Energy, Inc. (“XR” or the “Company”) was incorporated under the laws of the State of Nevada on August 31, 2009. XR offers energy consulting services to smaller sized middle market companies in the New York Metropolitan Area and earns a commission from the related utility, or Energy Service Company (“ESCO”), for energy supply brokered and sold to its customers.

Effective June 1, 2014 (pursuant to an Acquisition Agreement dated March 11, 2014), XR acquired 100% of the outstanding capital stock of XR Energy of Texas, Inc (“XRT”) in exchange for XR delivering 30,000,000 of newly issued shares of XR common stock to the former XRT shareholders (see Note 4). After the exchange, the former XRT shareholders owned approximately 88.7% of the issued and outstanding shares of XR common stock. In addition, prior to the reverse acquisition, XR Energy had nominal revenue producing operations in its consulting business, as well as nominal assets and liabilities on its balance sheet as the legal acquirer in the reverse acquisition. Accordingly, the Company has deemed XRT to be the accounting acquirer for financial reporting purposes. The accompanying consolidated financial statements reflect the operations of XRT from its inception on February 7, 2014 to June 1, 2014 and XRT and XR thereafter.

Effective May 31, 2014, XRT acquired certain oil leasehold interests located in Texas from Sterling Royalties, LLC (“Sterling”) in exchange for XRT delivering 96,667 shares of XRT’s non-publicly traded common stock to Sterling, representing approximately 97% of the issued and outstanding shares of XRT common stock after the exchange. Sterling is owned by family of Akram Chaudhary, the Company’s Chief Executive Officer. XRT was incorporated under the laws of the state of Texas on February 7, 2014 for the purpose of acquiring those oil leasehold interests. Accordingly, it had no operations or assets prior to the acquisition of those leasehold interests. Since XRT only acquired those oil leasehold interests from Sterling, the consolidated financial statements do not represent the acquisition of an ongoing business that existed prior to June 1, 2014 for the accounting acquirer XRT.

Effective March 20, 2014, Tara Muratore resigned as a director and Chief Financial Officer of the Company and was replaced by David Taylor. Effective April 4, 2014, Anthony Muratore resigned as a director and Chief Executive Officer of the Company and was replaced by Akram Chaudhary, the Chief Executive Officer of XRT.

Effective August 25, 2016, Akram Chaudhary resigned as a director and Chief Executive Officer of the Company and was replaced by Allan Smethers. Effective August 25, 2016, David Taylor resigned as a director and Chief Financial Officer of the Company and was replaced by Allan Smethers.
