CUBA BEVERAGE COMPANY
SEPTEMBER 30, 2018
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1- NATURE OF OPERATIONS

Nature of Operations

CUBA BEVERAGE COMPANY, a Wyoming corporation, manufactures and sells an all-natural juice beverage in San Diego, California serving customers across the United States and internationally. The Company was incorporated on January 26, 2007. The corporation is a continuation of CUBA BEVERAGE COMPANY, a California Corporation merged as a Delaware Corporation on September 8, 2008. On July 31, 2010, Green Card Capital, Inc., a Wyoming corporation changed its name to Cuba Beverage Company and completed a share exchange with Cuba Beverage Company, the Delaware corporation, and became its wholly-owned subsidiary. The financial statements contained herein are the consolidated results of Cuba Beverage Company, Wyoming.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

These financial statements are presented as unaudited and in United States dollars and have been prepared in accordance with generally accepted accounting principles in the United States of America. The Company believes that these financial statements present fairly, in all material respects, the financial position of the Company and the results of its operations and cash flows for the periods presented.

The Company has a calendar year-end accounting period.

Revenue

During the nine months ended September 30, 2018 and 2017 the Company sold no cases of its all-natural energy juice product. The Company executed a distribution agreement to produce and sell product in Europe and China with Alice Global, Ltd., a European and Chinese confectionary concern. The terms of the Agreement call for advance distribution payments of \$25,000 and 5% of all gross sales. There have been no sales to date from the Alice Global distribution agreement.

Accounts receivable

The Company is still a relative startup company and provides credit in the normal course of business to its customers and performs ongoing credit evaluations of those customers. There are no accounts receivables as of September 30, 2018.

Inventory & Cost of Goods Sold

Inventory consists primarily of beverages purchased and is stated at the lower of cost (first-in, first-out) or market value. All of the Company's product was set for expiration in January 2015 and as a result, becomes non-saleable for the fiscal 2015 period. There is no inventory as of September 30, 2018.

Income Taxes

Deferred taxes are recognized for operating losses that are available to offset future federal income taxes.

Advertising

Advertising costs are expensed as incurred and included in operating expenses. Inventories have been used as promotional items and have been given to distributors to promote sales. The Company will incur continued advertising expense in the form of promotional product distribution to various retailers for brand exposure.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3- RELATED PARTY TRANSACTIONS

The Company previously had recorded amounts due to the former Chief Executive Officer, however the Company has been unable to identify any value received for these amounts nor has received supporting documentation for these amounts previously reported. Therefore, the Company reclassified these amounts to equity as related party forgiveness of debt.

NOTE 4- LONG TERM DEBT

The Company has been unable to identify any value received for the amounts previously reflected nor has received supporting documentation for these amounts previously reported as long-term debt and believes that these amounts are not currently due and has reclassified all of these amounts from debt to equity.

NOTE 5 -INCOME TAXES

The Company accounts for income taxes under ASC Topic 740: Income Taxes which requires the recognition of deferred tax assets and liabilities for both the expected impact of differences between the financial statements and the tax basis of assets and liabilities, and for the expected future tax benefit to be derived from tax losses and tax credit carryforwards. ASC Topic 740 additionally requires the establishment of a valuation allowance to reflect the likelihood of realization of deferred tax assets. The Company has a net operating loss carryforward for tax purposes, expiring through the year 2038. Internal Revenue Code Section 382 places a limitation on the amount of taxable income that can be offset by carryforwards after certain ownership shifts.

On December 22, 2017, the Tax Cuts and Jobs Act, (the "TCJA") was enacted. The TCJA includes a number of changes to existing U.S. tax laws that impact the Company, most notably a reduction of the U.S. corporate tax rate from 35% to 21%, for tax years beginning after December 31, 2017. The Company has recorded a full valuation allowance against its net deferred tax asset, and therefore, the tax effects of the of enactment of the TCJA as written did not result in a remeasurement of the Company's net deferred tax asset.

NOTE 6-GOING CONCERN

Certain conditions indicate the Company may not be able to continue as a going concern. The Company's costs have far outweighed the income since the inception of the Company. The Company's costs have been solely supplemented by additional investments in the Company and may not be able to be sustained. The accompanying financial statements do not include any adjustments to the financials statements that might be necessary should the Company be unable to continue as a going concern.

NOTE 7-CAPITAL STOCK

The Company has two classes of stock: common and preferred. The common stock has 2,912,642,216 shares issued and outstanding as of September 30, 2018 and there are no shares of preferred stock issued or outstanding at this time.

There were no shares issued in the nine months ended September 30, 2018.
