Proactive Pet Products Inc. (PPPI) was the sole owner of 100% of the outstanding common shares of Digital Airo Inc. (DIGA) upon the formation of the subsidiary in January 19, 2015 up until the date of the share exchange agreement on May 6, 2016.

Prior to conducting a name change and corresponding change in business operations in January of 2015, PPPI's was named Registered Express Inc. (RGTX) and was in the digital mail business. In January of 2015, the RGTX's Board of Directors agreed to diversify the Company's operations by pursuing new business opportunities in the pet product industry. Consequently, the Company changed its name to PPPI to reflect this new direction and created a wholly owned subsidiary to hold its old business assets derived under the previous RGTX business model. On January 19, 2015, the Company incorporated Digital Airo, Inc. in the State of Nevada to be a wholly owned subsidiary of the Company to operate its digital and technology businesses.

Registered Express International entered into two separate license agreements with PPPI under the Company's old business model (i.e., RGTX) pertaining to its Internet based global delivery of documents/files/media through its proprietary system and network. The first license agreement with a value of \$1,050,000 was acquired in exchange for a sub-license agreement with Registered Express International Corporation (a third party company that was not an affiliate of RGTX). The agreement is renewable after 5 years. The second license agreement with a value of \$1,500,000 was acquired in exchange for separation of Registered Express International Corporation in the form of a perpetual license agreement.

On February 12, 2016, the management of American Leisure Holdings Inc. (AMLH) announced that the Management of the company evaluated the current economic conditions and initiated an executive business decision to divest itself of assets in the Oil and Gas sector, with the intention of

establishing a footprint in emerging technology. During this period and up to the point of the share exchange with Digital Airo, Inc. (DIGA) on May 6, 2016, the Company was a development stage company with a business plan, operations and more than nominal assets. The assets of AMLH relating to oil and gas were not fully divested until the date of the share exchange on May 6, 2016.

On May 6, 2016, all of the shares of DIGA were transferred to Registered Express International Inc. (REI) as consideration to cancel the five year license agreement with a value of \$1,050,000 that was an asset owned by DIGA. The early cancellation of the 5 year license was valued based on the full surrender of DIGA's common stock. PPPI decided to relinquish all of the shares to REI as it had been planning for some time to make the financial statements and operations streamlined and focused exclusively on its pet products business, which is the primary business of PPPI.

Subsequent to the transfer of all of DIGA's stock to REI on May 6, 2016, on the same day, in an unrelated transaction with a third party, REI then transferred all of its shares in DIGA to American Leisure Holdings, Inc. (AMLH). REI transferred the stock of DIGA to AMLH in exchange for entering a new license agreement with AMLH under the new business model.

REI decided to instantly assign all of the stock of DIGA to AMLH upon Mr. McFadden agreeing to become the president of AMLH due to his extensive experience in the industry and value added to the Company and also in exchange for the Company's commitment to enter a new license with REI. James McFadden was appointed as the new President and CEO of the AMLH on May 6, 2016.

In an integral part of the share exchange agreement entered in on May 6, 2016, the controlling shareholders of AMLH (Wroblewski Oil and Gas, Inc. or "WOGC")) relinquished 399,987,448 of their shares in AMLH to James McFadden. In addition, Mr. McFadden received 175,012,552 in restricted common stock issued directly from AMLH's treasury. The stock was valued at \$.0025 a share based on the closing bid price on May 6, 2016 and was recorded as Officer's Compensation. Therefore, the total stock received by Mr. McFadden was 575,000,000 restricted common shares of AMLH, or approximately 65.34% of the outstanding stock at the time of transaction. Mr. McFadden received these shares as a signing bonus and as advanced compensation for his service contract with the Company.

As part of the Share Exchange Agreement entered in on May 6, 2016, AMLH Issued a \$76,350 Convertible Promissory Note to Wroblewski Oil and Gas Company Inc. in a separate transaction for costs and services related to the share exchange.

NOTES TO FINANCIAL STATEMENTS
FOR PERIOD ENDED SEPTEMBER 30, 2016
(Unaudited)

A. Summary of Significant Accounting Policies:

1. Organization and Nature of Operations

The Corporation was established on June 13, 2000 under the laws of Nevada. Its wholly owned subsidiary, Wroblewski Oil and Gas, Inc., was formed on April 22, 2002 under the laws of the Commonwealth of Pennsylvania. The Company operated a fuel filling station and convenience store north of Pittsburgh PA prior to the Share Acquisition on May 6, 2016, at which Wroblewski Oil and Gas, Inc. was sold. Upon the completion of the acquisition of a controlling interest in the Company by Digital Airo, Inc., the Company changed its business model to Internet based global delivery of documents/files/media through its licensed proprietary system and network. All of the wholly owned subsidiaries' financial activity are included in the consolidated financial statements of the Company.

The Company's fiscal year end is December 31.

Basis of Accounting:

The accompanying interim financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States. In the opinion of management, these interim financial statements include all of the necessary adjustments to prevent them from being misleading.

2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents:

The Company considers all highly liquid debt instruments, purchased with an original maturity of three months or less, to be cash equivalents.

Net Loss Per Share:

Net loss per share is based on the weighted average number of common shares and common shares equivalents outstanding during the period.

3. Property and Equipment

Property and equipment are recorded at cost and depreciated over the estimated useful lives of the assets using an acceptable accelerated method. Depreciation expense amounted to \$ 38,438 for the year ended December 31, 2015 and are \$0 as of September 30, 2016.

(Unaudited)

4. Other Assets

The Company's other assets as of September 30, 2016 are \$1,500,000. The \$1,500,000 assets were acquired from Registered Express International Corporation in the form of a perpetual license agreement.

On May 6, 2016, all of the shares of DIGA were transferred to Registered Express International Inc. (REI) as consideration to cancel the five year license agreement with a value of \$1,050,000 that was an asset owned by DIGA. The early cancellation of the 5 year license was valued based on the full surrender of DIGA's common stock. PPPI decided to relinquish all of the shares to REI as it had been planning for some time to make the financial statements and operations streamlined and focused exclusively on its pet products business, which is the primary business of PPPI.

A. Liabilities

NOTES TO FINANCIAL STATEMENTS

FOR PERIOD ENDED SEPTEMBER 30, 2016

8. Stock-based Compensation

In December 2004, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards ("SFAS") No. 123 (revised 2004), Share-based Payment ("SFAS 123R"), that addresses the accounting for share-based payment transactions in which an enterprise receives employee services in exchange for equity instruments of the enterprise or liabilities that are based on the fair value of the enterprise's equity instruments or that may be settled by the issuance of such equity instruments. SFAS 123R eliminates the ability to account for share-based compensation transactions using the intrinsic value method under Accounting Principles Board Opinion No.25, Accounting for Stock Issued to Employees ("APB 25"), and it generally requires instead that such transactions be accounted for using a fair-value-based method. This standard is now codified as ASC 718, Compensation – Stock Compensation.

9. Going Concern

The Company's financial statements have been prepared on the basis that it is a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

The Company has earned limited revenue from operations in the current period ended September 30, 2016. The Company's ability to continue as a going concern is dependent upon its ability to develop additional sources of capital and ultimately to achieve profitable operations. The accompanying financial statements do not include any adjustments that might result from the outcome of these uncertainties. Management is seeking new capital to revitalize the Company.

10. Financial Accounting Developments:

Recently Issued Accounting Pronouncements

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies that do not require adoption until a future date are not expected to have a material impact on the Company's financial statements upon adoption.

11. Capital Stock Transactions and New Subsidiary.

Proactive Pet Products Inc. (PPPI) was the sole owner of 100% of the outstanding common shares of Digital Airo Inc. (DIGA) upon the formation of the subsidiary in January 19, 2015 up until the date of the share exchange agreement on May 6, 2016.

Prior to conducting a name change and corresponding change in business operations in January of 2015, PPPI's was named Registered Express Inc. (RGTX) and was in the digital mail business. In January of 2015, the RGTX's Board of Directors agreed to diversify the Company's operations by pursuing new business opportunities in the pet product industry. Consequently, the Company changed its name to PPPI to reflect this new direction and created a wholly owned subsidiary to hold its old business assets derived under the previous RGTX business model. On January 19, 2015, the Company incorporated Digital Airo, Inc. in the State of Nevada to be a wholly owned subsidiary of the Company to operate its digital and technology businesses.

FOR PERIOD ENDED SEPTEMBER 30, 2016

(Unaudited)

Registered Express International entered into two separate license agreements with PPPI under the Company's old business model (i.e., RGTX) pertaining to its Internet based global delivery of documents/files/media through its proprietary system and network. The first license agreement with a value of \$1,050,000 was acquired in exchange for a sub-license agreement with Registered Express International Corporation (a third party company that was not an affiliate of RGTX). The agreement is renewable after 5 years. The second license agreement with a value of \$1,500,000 was acquired in exchange for separation of Registered Express International Corporation in the form of a perpetual license agreement.

On February 12, 2016, the management of American Leisure Holdings Inc. (AMLH) announced that the Management of the company evaluated the current economic conditions and initiated an executive business decision to divest itself of assets in the Oil and Gas sector, with the intention of establishing a footprint in emerging technology. During this period and up to the point of the share exchange with Digital Airo, Inc. (DIGA) on May 6, 2016, the Company was a development stage company with a business plan, operations and more than nominal assets. The assets of AMLH relating to oil and gas were not fully divested until the date of the share exchange on May 6, 2016.

On May 6, 2016, all of the shares of DIGA were transferred to Registered Express International Inc. (REI) as consideration to cancel the five year license agreement with a value of \$1,050,000 that was an asset owned by DIGA. The early cancellation of the 5 year license was valued based on the full surrender of DIGA's common stock. PPPI decided to relinquish all of the shares to REI as it had been planning for some time to make the financial statements and operations streamlined and focused exclusively on its pet products business, which is the primary business of PPPI.

Subsequent to the transfer of all of DIGA's stock to REI on May 6, 2016, on the same day, in an unrelated transaction with a third party, REI then transferred all of its shares in DIGA to American Leisure Holdings, Inc. (AMLH). REI transferred the stock of DIGA to AMLH in exchange for entering a new license agreement with AMLH under the new business model.

REI decided to instantly assign all of the stock of DIGA to AMLH upon Mr. McFadden agreeing to become the president of AMLH due to his extensive experience in the industry and value added to the Company and also in exchange for the Company's commitment to enter a new license with REI. James McFadden was appointed as the new President and CEO of the AMLH on May 6, 2016.

In an integral part of the share exchange agreement entered in on May 6, 2016, the controlling shareholders of AMLH (Wroblewski Oil and Gas, Inc. or "WOGC") relinquished 399,987,448 of their shares in AMLH to James McFadden. In addition, Mr. McFadden received 175,012,552 in restricted common stock issued directly from AMLH's treasury. The stock was valued at \$.0025 a share based on the closing bid price on May 6, 2016 and was recorded as Officer's Compensation. Therefore, the total stock received by Mr. McFadden was 575,000,000 restricted common shares of AMLH, or approximately 65.34% of the outstanding stock. Mr. McFadden received these shares as a signing bonus and as advanced compensation for his service contract with the Company.

As part of the Share Exchange Agreement entered in on May 6, 2016, AMLH Issued a \$76,350 Convertible Promissory Note to Wroblewski Oil and Gas Company Inc. in a separate transaction for costs and services related to the share exchange.
