AmeraMex International Reports Second Quarter Revenue of \$1.2 Million; \$2.7 Million Revenue for the Six-Month Period

Second quarter conference call August 18th at 10:00 a.m. Pacific Time

CHICO, CA – August 18, 2017 – **AmeraMex International, Inc.** (OTC:AMMX), a provider of heavy equipment for <u>logistics</u> companies, infrastructure construction, and <u>tactical vehicles</u> for military organizations reports revenue for the six-month period ending June 30, 2017.

Highlights for the Six-month Period

- The completion of the <u>SEC audit</u> will be announced upon submission of the Form 10 to the SEC for review and approval.
- AmeraMex received approval to represent Oshkosh Defense, LLC, an Oshkosh Corporation (NYSE:OSK) company, within the Federal Republic of Nigeria.
- Management recently met with Oshkosh management at the company's corporate offices in Wisconsin. During the meetings, AmeraMex's sales territory was expanded to include Angola.

Second Quarter Ended June 30, 2017

The company reported revenue of \$1,162,671 compared to revenue of \$2,575,732 for the second quarter of 2016. Net loss for the quarter was \$(244,969) compared to net income of \$237,732 for the second quarter of 2016. Gross profit, as a percentage of sales, was 41 percent compared to 36 percent for the comparable 2016 period.

Revenue was down for the first and second quarter due to normal seasonality and a significant increase in the rental of equipment versus sales of equipment. The increase in rental income for the quarter was \$168,983 versus \$78,900 for the comparable quarter. The increased in rental revenue maintains a dependable cash flow.

Revenue for the third quarter currently stands at \$1.2 million in sales orders and a rental agreement valued at \$500,000.

Six-Month Period Ended June 30, 2017

Revenue for the six-month period was \$2,710,373 compared to revenue of \$5,818,813 reported for the comparable six-month period of 2016. Gross profit margin, as a percentage of sales, was 43 percent. The company reported net loss of \$(246,618), compared to net income of \$1,397,918 for the six-month period in 2016.

The loss was due in part to cost of goods (equipment) increasing almost 100 percent, from

approximately \$600,000 to \$1.2 million, through the purchase of rental equipment that is now beginning to produce rental income or offset the cost of goods (COGs); doubling of the parts inventory; the addition of employee health insurance; and an increase in legal fees that in July 2017, netted the company approximately \$500,000.

Revenue for the first six months of 2016 was unusually high due to a large one-time shipment of equipment to a customer in Africa. Generally, equipment is ordered during the last six months of the year to arrive for spring and summer construction and agriculture projects.

The second quarter conference call is August 18, 2017. The dial-in number for both U.S. and international callers is 1.719.325.4934. An audio replay of the call is available from August 18, 2017 at 4:00 p.m. Eastern Time until September 1, 2017 at 11:59 p.m. Eastern Time. The replay is accessible by dialing 1.412.317.6671 and entering pin number 6710630.
