Re: Restance, Inc., formerly Global Condiments, Inc., a Nevada corporation (ANCE)
Annual Information and Disclosure Statement
Years Ended December 31, 2016 and December 31, 2015, as published by OTC Markets Group, Inc.

Ladies and Gentlemen,

My office has been engaged by Restance, Inc., formerly Global Condiments, Inc., until the name was changed on January 9, 2017, a Nevada corporation (ANCE) (the “Company”) to be its special securities counsel. My services included reviewing disclosure information, and interfacing with the Chief Accounting Officer. I have examined such corporate records and other documents and have asked such questions of law as I have considered necessary or appropriate for the purpose of writing this letter. I have relied on publicly available information from the Secretary of State of the State of Nevada and information obtained from the Company’s officers and directors. I have also reviewed the following documents to be posted at www.OTCMarkets.com and which I was informed be publicly available through the OTC Disclosure and News Service (to be uploaded today) in connection with the preparation of this letter:

- Current filings with the Nevada Secretary of State as of January 17, 2017. Note that, according to Nevada Secretary of State website information, Restance, Inc. was incorporated on September 17, 2009;
- The Company’s Unaudited Financial Report and separate Disclosures for each of the periods ended December 31, 2016, December 31, 2015 and December 31, 2014, all as published by OTC Markets on January 10, 2017;
- The Company’s Amended and Restated Articles of Incorporation and By Laws, both published on www.OTCMarkets.com as of December 8, 2016 and dated September 30, 2016, according to filings;
- And such other information that I considered necessary under the specific circumstances

I believe the sources I have relied upon to be reliable. In my examination, I have assumed the genuineness of documents and other information provided by the Company, without independent investigation.

This opinion is based expressly on the facts stated herein, and may not be relied upon in the event that other facts, not presently known to me, come to light. Opinion letters of counsel are not binding upon the OTC Markets or the Courts, and to the extent that persons relying upon this letter may have knowledge of facts or circumstances that are contrary to those upon which this opinion is based, this opinion would not be applicable and will result in a different opinion. The opinion expressed herein is limited to the Federal Law of the United States of America, specifically the Securities Act of 1933, the Rules and Regulations relating thereto, and no opinion is provided regarding any federal or state law not specifically referenced herein. I am a member in good standing of the bar of the State of Arkansas since 1990, am a resident of the United States and am permitted to practice before the Securities and Exchange Commission ("SEC") and have not been prohibited from practice thereunder.

The Company is not a reporting issuer pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") and, therefore, does not file periodic reports with the SEC.

This information, as filed with OTC, constitutes, in my opinion, adequate current public information concerning the Company's securities and is available within the meaning of Rule 144(c)(2) under the Securities Act. The information, as filed, includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the securities under Rule 15c2-11 under the Exchange Act and complies as to form with the OTC Market's Guidelines for Providing Adequate Current Information.

The person responsible for the preparation of the Company's financial statements is Warren Wheeler, and they were prepared internally. Mr. Wheeler has extensive experience in business, has owned his own reporting company, and is familiar with all material aspects of reporting and of the operations. He is qualified and competent to prepare the financial statements and disclosures.

The Company's transfer agent is Signature Stock Transfer, Inc., which is registered with the SEC. The method used to confirm the number of outstanding shares of common stock set forth in the Information Statement was to contact the transfer agent and receive written confirmation as to the number of outstanding shares. The transfer agent is SEC registered as confirmed by checking the SEC's Edgar system.

The undersigned has spoken with a majority of management and Directors of the Company via tele-conference and discussed such information as was considered necessary to issue this opinion letter. The undersigned has reviewed the Information Statement, as posted by OTC Disclosure and News Service, January

17, 2017. The undersigned discussed the disclosed information with management of the Company.

To the best of my knowledge, after inquiry of management and the directors of the Company, neither counsel nor any officer, director or 5% or greater holder of the outstanding securities of the Company is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws.

I have compiled and list below the names of each executive officer, director, general partner and other control person of the Company and promoter, finder, consultant or any other advisor of the Company who assisted, prepared or provided information with respect to the Company's disclosure or who received securities as consideration for services rendered to the Company and the following information related to each: (i) their full name, (ii) their business address, (iii) the number and class of the Company's securities beneficially owned by each of them, (iv) with respect to each of the securities described in the preceding clause whether or not the certificate or other document that evidences the securities contains a legend stating that the securities have not been registered under the Securities Act and setting forth or referring to restrictions on transferability and sale of the securities and (v) a complete description of the consideration received by the Company in connection with each issuance of shares to any of them including, without limitation, the nature of any services performed for or on behalf of the Company. For purpose of this letter, the term "control person" includes (i) any person controlling, under common control with, or controlled by, the Company or (ii) any person who obtained securities of the Company in connection with a negotiation with the Company within the three-year period prior to the date of the opinion. With respect to any of the Company's control persons that is an entity and any parent entity of any control person, this letter provides the information for each control person of such entity or parent entity.
