ABATTIS ANNOUNCES PRIVATE PLACEMENT

Vancouver, BC – March 9, 2015 - Abattis Bioceuticals Corp. (the "Company" or "Abattis") (OTCQX: ATTBF) (CSE: ATT), a specialty biotechnology company with capabilities through its wholly-owned subsidiaries of cultivating, licensing and marketing proprietary ingredients, bio-similar compounds, patented equipment and consulting services to medicinal markets in North America, would like to announce a proposed private placement of up to \$250,000.

Under the terms of the Private Placement, Abattis will issue up to 1,923,077 Units. Each Unit will consist of one Common Share at \$0.13 per share.

Proceeds of this offering will be used for acquisitions, joint venture opportunities, research and development, marketing, working capital, general corporate purposes and a portion of the funds will be for marketing and distribution of its selected products.

The offering of the Units is expected to take place on or about March 15, 2015. Abattis will issue a further press release announcing when the closing has taken place. The Shares will be subject to a Canadian resale hold period expiring four months and one day from the closing.

The Board of Directors of Abattis wishes to acknowledge the support of investors who have shown confidence in the business plan that Abattis is executing in this exciting new sector of the economy and capital markets.

The Company is pleased to announce that, in compliance with the Company's option plan, the Company has granted 125,000 incentive stock options to certain of its directors, officers and consultants, with each option being exercisable into a common share of Abattis at \$0.16 per share for a period of five years.

About Abattis Bioceuticals Corp.

Abattis is a specialty biotechnology company with capabilities through its wholly-owned subsidiaries of cultivating, licensing and marketing proprietary ingredients, bio-similar compounds, patented equipment and consulting services to medicinal markets in North America. The Company is positioned to capitalize on the fast growing trend toward marijuana legalization in the United States and for medicinal use in Canada and international jurisdictions, by supplying and partnering with companies to employ its mass cultivation systems, extraction equipment/technology, and strategic marketing support to licensed growers. The Company also has an extensive pipeline of high-quality products and intellectual property for the rapidly expanding botanical drug market. We follow strict standard operating protocols, and adhere to the applicable laws of Canada and foreign jurisdictions. For more information, visit the Company's website at: www.abattis.com.
