INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To Management

AVEW Holdings Inc. and its wholly owned subsidiary

Austin Texas

I have compiled the accompanying consolidated balance sheet of AVEW Holdings Inc. and its wholly owned subsidiary as of September 30, 2014 and the related consolidated statement of operations for the nine months then ended and the Consolidated Statement of Cash Flows for the nine months. I have not audited or reviewed the accompanying consolidated financial statements and, accordingly, do not express an opinion or provide any assurance about whether the consolidated financial statements are in accordance with generally accepted accounting principles.

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of American and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the consolidated financial statements.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of consolidated financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the consolidated financial statements.

Management has elected to omit substantially all of the disclosures ordinarily included in consolidated financial statements prepared under generally accepted accounting principles. If the omitted disclosures were included in the consolidated financial statements, they might influence the user's conclusions about the Company's assets, liabilities, equity, revenues, and expenses. Accordingly, the consolidated financial statements are not designed for those who are not informed about such matters.
