As part of that Share Exchange Agreement, certain shareholders of the Corporation were to return 37,641,440 shares of the Common Stock of the Corporation to the Corporate Treasury. Michael D. Roth, as the sole member and manager of Axxess Unlimited, LLC, then assigned his entire interest in Axxess Unlimited, LLC, to the Corporation in exchange for the issuance by the Corporation of 48,000,000 shares of the Common Stock of the Corporation. The transaction was additionally exempt from registration under Florida and Arizona law. The price paid for such shares was the value of all of the membership interests in Axxess Unlimited, LLC. The shares are restricted shares and the certificates evidencing such shares contain a legend stating that “The shares represented by this certificate have not been registered under the Securities Act of 1933, as amended and may not be sold or transferred without registration under said Act or an exemption therefrom.”

Additionally, on July 10, 2013 the Corporation entered into Employment Agreements with Scott Hansbury, the Corporation’s Chief Operating Officer and Christopher Diaz, the Corporation’s Chief Creative Officer. Each of these Employment Agreements contained provisions for the
