

Amazonas Florestal Ltd. Reverse Stock Split- OTC Disclosure

MIAMI, FL., March 4, 2016 -- Amazonas Florestal, Ltd. (www.amazonasf.com) (OTC : AZFL), a natural resources company dedicated to innovative, sustainable forest management, the certification and sales of carbon credits, and Industrial Hemp, today announced a reverse stock split of the Company's issued and outstanding common stock, \$0.001 par value, at a ratio of one new share for every 1,000 shares currently outstanding, effective Wednesday, March 2, 2016.

Every 1,000 shares of the Company's issued and outstanding common stock will be automatically combined into one share of common stock. This will reduce the number of outstanding shares from approximately 17,515,996,000 shares to approximately 17,515,996 shares. The Company will trade under the symbol AZFLD for 20 days.

The reverse stock split will not affect any shareholder's ownership percentage of the Company's common stock, except to the limited extent that the reverse stock split would result in any shareholder owning a fractional share. Fractional shares of common stock will be rounded up to the nearest whole share.
