This Report is required by law: Section 5(c) of the Bank Holding Company Act (12 U.S.C. § 1844) and Section 225.5(b) of Regulation Y (12 C.F.R. § 225.5(b)) and Section 10 of the Home Owners Loan Act (12 U.S.C. § 1467a(b)).

This report form is to be filed by holding companies with total consolidated assets of \$1 billion or more. In addition, holding companies meeting certain criteria must file this report (FR Y-9C) regardless of size. See page 1 of the general instructions for further information.

However, when such holding companies own or control, or are owned or controlled by, other holding companies, only the top-tier holding company must file this report for the consolidated holding company organization. The Federal Reserve may not conduct or sponsor, and an organization (or a person) is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

NOTE: Each holding company's board of directors and senior management are responsible for establishing and maintaining an effective system of internal control, including controls over the Consolidated Financial Statements for Holding Companies. The Consolidated Financial Statements for Holding Companies are to be prepared in accordance with instructions provided by the Federal Reserve System. The Consolidated Financial Statements for Holding Companies must be signed and attested by the Chief Financial Officer (CFO) of the reporting holding company (or by the individual performing this equivalent function).

I, the undersigned CFO (or equivalent) of the named holding company, attest that the Consolidated Financial Statements for Holding Companies (including the supporting schedules) for this report date have been prepared in conformance with the instructions issued by the Federal Reserve System and are true and correct to the best of my knowledge and belief
