Re: Blue Water Ventures International, Inc.

Gentlemen:

We have been requested to render this letter by Blue Water Ventures International, Inc. (the "Issuer"), as counsel to the Issuer, with respect to information publicly disclosed by the Issuer and published in the OTC Markets Group, Inc. ("OMG") News Service. We acknowledge that the Issuer will cause this letter to be posted with the OMG News Service along with the Issuer's amended annual disclosure and financial statements that had been filed on May 3, 2017 and May 10, 2017, respectively. OMG may rely on this letter to determine whether the issuer has made current information publicly available within the meaning of Rule 144(c)(2) promulgated under the Securities Act of 1933, as amended (the "Act").

The undersigned counsel is a US resident, is admitted to practice law under the laws of the State of Florida, is permitted to practice before the Securities and Exchange Commission ("SEC"), has not been barred or prohibited from practice thereunder, and has been retained by the issuer for the purpose of rendering this letter and related matters. Our relationship with the Issuer is as its outside counsel, rendering general corporate advice as well as advice regarding its regulatory and other requirements under federal and state securities laws.

We have reviewed such corporate documents and records and asked those questions of the Issuer, its management and agents as we determined to be appropriate in connection with the preparation of this letter. In preparing this letter, we have relied upon all publicly filed reports and disclosures filed by the Issuer with the SEC, and other information supplied by officers and other agents of the Issuer, and represent that we believe that the foregoing sources were reliable.

This letter is provided in connection with the amended Annual Disclosure Statement dated March 31, 2017, filed with OMG on May 3, 2017 and amended financial statements for the periods ending December 31, 2016 that have also been filed by the Issuer with OMG (collectively, the "Disclosure and Related Statements"). We are of the opinion that the Disclosure and Related Statements as amended: i) constitute "adequate current public information" concerning the securities of the Issuer and "is available" within the meaning of Rule 144(c)(2) under the Act; (ii) includes all

of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the securities under Rule 15c2-11 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"); (iii) complies as to form with the OMG Guidelines for Providing Adequate Current Information; and (iv) has been posted in the OMG News Service

The financial statements filed by the Company with OMG have been prepared by the Company with the assistance of its accountant, Michael Monakey, CPA and have not been audited. Mr. Monakey is a certified public accountant licensed to do business under the laws of the State of Florida. We believe these financial statements to be accurate and reliable but render no opinion regarding the same. The issuer's transfer agent is ClearTrust, LLC, which is registered with the SEC and we have used the transfer agent's records to confirm the number of issued and outstanding shares of the Company as set forth in the Disclosure and Related Statements.

The undersigned counsel has personally met with the two members of the Board of Directors, via Facetime, one of whom is also the Chief Executive Officer of the Issuer, and has reviewed the Disclosure and Related Statements and discussed the same with management both of the directors of the Issuer. To the best of our knowledge, after making inquiry of management and a majority of the directors of the Issuer, neither the Issuer nor any holder of 5% of the Issuer's shares or any counsel to Issuer is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

Our letter may be published by OMG in the Pink Sheets News Service for viewing by the public and regulators. However, no person other than OMG is entitled to rely on this letter.

Very truly yours,

ANDREW FARBER, P.A.
