**March 23, 2016**

#### INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “**Notice**”) and is furnished to shareholders holding common shares (the “**Common Shares**”) in the capital of Commerce Resources Corp. (the “**Company**” or “**Commerce**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the shareholders to be held at 10:00 a.m. (Vancouver time) on **April 27, 2016** at the offices of the Company, Suite 1450, 789 West Pender, Street, Vancouver, BC V6C 1H2 or at any adjournment or postponement thereof.

#### Date and Currency

The date of this Information Circular is **March 23, 2016**. Unless otherwise stated, all amounts herein are in Canadian Dollars.

#### PROXIES AND VOTING RIGHTS

##### Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

##### Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of **March 23, 2016** (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

**A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.**

**TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.**

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc., 8th floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 (Attention: Proxy Department) by delivery, by phone at 1-866-734-8683 (toll free) or online at [www.investorvote.com](http://www.investorvote.com). at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof, prior to the commencement of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

### **Revocation of Proxies**

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law. Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

### **Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons**

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. **The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.**

**IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.** If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Common Shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the Record Date, determined by the Company's board of directors (the "**Board**") to be the close of business on **March 23, 2016**, a total of **234,409,864** Common Shares were issued and outstanding. Each Common Share carries the right to one vote at the Meeting.

Only registered shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, securities carrying more than 10% of the voting rights attached to any class of voting securities of the Company.

### **RECEIPT OF FINANCIAL STATEMENTS**

The directors will place before the Meeting the audited consolidated financial statements for the financial year ended October 31, 2015 together with the auditors' reports thereon.

### **ELECTION OF DIRECTORS**

The directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are elected or appointed, unless his or her office is earlier vacated in accordance with the articles of the Company (the "**Articles**") or with the provisions of applicable corporate legislation. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the Board.

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors for the ensuing year at six. The number of directors will be approved if the affirmative vote of the majority

of Common Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at six.

## **STATEMENT OF EXECUTIVE COMPENSATION**

### **General**

For the purpose of this Information Circular:

**"CEO"** of the Company means each individual who acted as chief executive officer of the Company or acted in a similar capacity for any part of the most recently completed financial year;

**"CFO"** of the Company means each individual who acted as chief financial officer of the Company or acted in a similar capacity for any part of the most recently completed financial year; and

**"NEO"** or "named executive officer" means each of the following individuals:

- (a) a CEO,
- (b) a CFO,
- (c) each of the three most highly compensated executive officers of the company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection

- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor acting in a similar capacity at the end of the most recently completed financial year.

As at October 31, 2014, the end of the most recently completed financial year of the Company, the Company had three Named Executive Officers, namely: Axel Hoppe, the Chairman of the Company, David Hodge, the CEO and Director of the Company and Jody Bellefleur, the Chief Financial Officer of the Company.

### **Compensation Discussion and Analysis**

The Company is a junior mineral exploration company and trades on the TSX Venture Exchange (“**TSXV**”). The Company’s resources and capital are limited. The Company has no revenue from mineral producing operations and as a result, the Board has to consider not only the financial situation of the Company at the time of determining executive compensation but also the estimated financial situation of the Company in the mid to long term.

The CEO and CFO are not compensated directly by the Company, as they are compensated by Zimtu Capital Corp. (“**Zimtu**”), to provide professional services to the Company. The Company has a management services contract in place whereby Commerce paid Zimtu a monthly fee of \$53,810, for a variety of services in addition to those related to CEO and CFO functions see Management Contracts below.

An element of executive compensation that is available to the Company is the granting of stock options to purchase Common Shares under the Company’s Stock Option Plan. Stock options are issued to provide an incentive to participate in the long-term development of the Company and to increase Shareholder value. Executive officers and directors are not paid a salary and are reimbursed for expenses incurred in carrying out the business of the Company.

#### *Risk Management Disclosure*

The Board has reviewed the elements of compensation of the Company to identify any risks arising from the Company’s compensation policies and practices that could reasonably be expected to have a material adverse effect on the Company as well as the practices used to mitigate any such risks. The Board concluded that the compensation program and policies of the Company did not encourage its executives to take inappropriate or excessive risks. This assessment was based on a number of considerations, including, without limitation, the following: (i) the Company’s compensation policies and practices are generally uniform throughout the organization; (ii) in exercising its discretion under its compensation policies the Board reviews individual and corporate performance taking into account the long-term interests of the Company; and (iii) the results of annual assessments of executives’ goals, objectives and performance are reviewed and considered in awarding compensation.

#### *Restrictions on Purchase of Financial Instruments*

Although the Company has not adopted a formal policy forbidding an NEO or director from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director, the Company is not aware of any NEO or director having entered into this type of transaction.

## Share based and Option Based Awards

Executive officers of the Company, as well as directors, employees and consultants, are eligible to participate in the Company's stock option plan (the "**Stock Option Plan**") to receive grants of stock options. Individual stock options are granted by the Board as a whole and the size of the options is dependent on, among other things, each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long term contribution to the Company will be crucial to its long-term success.

The Board evaluates the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering grants. Options are usually priced at the closing trading price of the Company's shares on the business day immediately preceding the date of grant and the current policy of the Board is that options expire five years from the date of grant.

## Compensation Governance

The Board has not adopted any specific policies or practices to determine the compensation for the Company's directors and officers, other than disclosed above. The Company has not established a compensation committee.

## Summary Compensation Table

During the financial year ended October 31, 2015, the Company had three NEOs. The following table sets forth all direct and indirect compensation for, and in connection with, services provided to the Company and its subsidiary for the last three financial years.

The Company does not have any Share-based Awards.

### 2016 Stock Option Plan

Shareholder approval for the Company's Stock Option Plan was obtained at the annual general and special meeting of the Shareholders held on May 20, 2015. Accordingly, at the Meeting the members will be asked to consider, and the directors, believing it to be in the best interests of the Company, recommend that the shareholders reapprove, the Company's Stock Option Plan approved by shareholders at the last annual general meeting and the allotment and reservation of sufficient common

shares from treasury to provide the shares necessary for issuance upon the exercise from time to time of options granted pursuant to the Stock Option Plan.

The Stock Option Plan is in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the Stock Option Plan a maximum of 10% of the issued and outstanding shares of the Company at any time, less any shares required to be reserved with respect to options granted by the Company prior to the implementation of the Stock Option Plan. The Stock Option Plan is administered by the Administrator on the instructions of the Board. Subject to the provisions of the Stock Option Plan, the Board in its sole discretion will determine all options to be granted pursuant to the Stock Option Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. #### *Shareholder Approval*

In order to exercise stock options granted under the Stock Option Plan, the Stock Option Plan must first be accepted by the TSXV. In order to obtain Exchange acceptance, the Exchange requires that "rolling" stock option plans receive shareholder approval at a company's annual general meeting. For these reasons and also to ensure that the Stock Option Plan is acceptable to the Company's shareholders, the directors of the Company will ask the shareholders to approve the Stock Option Plan at the Meeting. Accordingly, the shareholders will be asked to consider and, if thought fit, pass the following resolution.

"Resolved that, subject to TSX Venture Exchange Inc. (the "**Exchange**") approval:

1. The Company adopt a stock option plan (the "**Stock Option Plan**"), including the reserving for issuance under the Stock Option Plan at any time of a maximum of 10% of the issued Common Shares of the Company;
2. The Company be and is hereby authorized to grant stock options under the Stock Option Plan, in accordance with its terms;
3. The Company be and is hereby authorized to prepare such disclosure documents and make such submissions and filings as the Company may be required to make with the Exchange to obtain Exchange acceptance of the Stock Option Plan; and
4. Authority be and is hereby granted to the Board of Directors of the Company to make such amendments to the Stock Option Plan as may be required by the Exchange to obtain Exchange acceptance of the Stock Option Plan."
