5) Financial Statements

Provide the financial statements described below for the most recent fiscal year end or quarter end to maintain qualification for the OTC Pink Current Information tier. For the initial disclosure statement (qualifying for Current Information for the first time) please provide reports for the two previous fiscal years and any interim periods.

A. Balance sheet;

B. Statement of income;

C. Statement of cash flows;

D. Financial notes; and

E. Audit letter, if audited

The financial statements requested pursuant to this item shall be prepared in accordance with US GAAP by persons with sufficient financial skills.

You may either (i) attach/append the financial statements to this disclosure statement or (ii) post such financial statements through the OTC Disclosure & News Service as a separate report using the appropriate report name for the applicable period end. ("Annual Report," "Quarterly Report" or "Interim Report").

If you choose to publish the financial reports separately as described in part (ii) above, you must state in the accompanying disclosure statement that such financial statements are incorporated by reference. You may reference the document(s) containing the required financial statements by indicating the document name, period end date, and the date that it was posted to otcq.com in the field below.

Annual Report ended 12/31/2016 Posted on April 17, 2017

Information contained in a Financial Report is considered current until the due date for the subsequent Financial Report. To remain in the OTC Pink Current Information tier, a company must post its Annual Report within 90 days from its fiscal year-end date and Quarterly Reports within 45 days of its fiscal quarter-end date.

6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuer's business operations;

Cloud computing, disaster recovery and E waste disposal

B. Date and State (or Jurisdiction) of Incorporation:

October 13, 1998, Delaware

C. the issuer's primary and secondary SIC Codes;

7373,3572 and 5093

D. the issuer's fiscal year end date;

December 31

E. principal products or services, and their markets;

cloud computing, information disaster recovery and E waste disposal

7) Describe the Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

The Cloud Computing division of the company operates primarily from 2 data centers located in Los Angeles and San Diego. The company leases space, server racks and computing power and connectivity from the hosting data centers. The leases in all three locations are annual with auto-renew at the end of the period. Company has been in these locations for 8 years in San Diego and Los Angeles. The Company moved from a different center in Los Angeles 4 years ago to the current center.

The company's assets are primarily network equipment including but not limited to servers, computers, computer equipment, data storage appliances, networking, communication, firewalls and anti-cyber-attack appliances, load balancers, routers, switches and more hardware and many software licenses and programs required in the operation of Cloud Computing, Disaster Recovery and Business Continuity services the company provides.

The company owns all hardware equipment and software everything is purchased outright with no balances due on any. The company operates from a suite of offices located in Northridge California at the same facilities as the E-Waste division is located.

All the assets relating to the Cloud Computing Division are located in the two data centers. They are replenished every four years for mission critical appliances and six years for non-critical, redundant appliances. Currently all are in perfect working condition and being monitored 24 hours a day.

In the Electronic Waste Division, the main assets are different material handling equipment such as forklifts pallet jacks, shelving rack systems, tools and machinery required for the operation, a large delivery van, as well as office furniture, office equipment, computers, monitoring and alarm systems.

The company owns these assets outright with no balances due on any.

All assets used and required for the E-Waste division are in good working condition with scheduled maintenance procedures in place.

The company leases the E-waste facilities and main office building in Northridge CA on a 3 year lease which was renewed for one year in March 2017. The Company has an option to renew for three additional years.

8) Officers, Directors, and Control Persons

The goal of this section is to provide an investor with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant shareholders.

A. Names of Officers, Directors, and Control Persons. In responding to this item, please provide the names of each of the issuer's executive officers, directors, general partners and control persons (control persons are beneficial owners of more than five percent (5%) of any class of the issuer's equity securities), as of the date of this information statement.
