Item 10. Legal Proceedings

There are no known material legal proceedings filed or pending against the Company. Additionally, the Company has not been delisted by any securities exchange or deleted from the OTC:PK or any other market.

On August 14, 2012, the Alabama Securities Commission issued a Cease and Desist Order against the Company barring it from offering or selling any securities into, within, or from the State of Alabama. This Order, until it was lifted (as detailed below), effectively prevented the Company from engaging in any financing efforts including, but not limited to, offering or selling stock, bonds, or other evidence of debt financing.

The August 14, 2012 Cease and Desist Order resulted from the solicitation and sale of unregistered securities by an unregistered dealer or agent of securities, the former President of the Company, John Michael Parsons. Parsons, while President of the Company, solicited and sold the Stock of Atlas Capital Holdings, Inc. (“Atlas”) to at least one Alabama resident and others on the premise that Atlas would be merged into the Company and the Company’s stock would be up-listed from the OTC Pink Sheets to a higher level of trading. The investigation by the Alabama Securities Commission found that the funds to purchase the stock sold by Parson was wired into an account at Parson Energy Company, a Company owned, controlled, and operated by John Michael Parson, the Company’s former President, outside the Company while he was President. John Michael Parson resigned as President and a Director of the Company on May 3, 2011 and the Company has no further association with him. Subsequent to his resignation as President, he exchanged his personal shares of the Company for shares of Atlas with the shareholders he had sold the Atlas shares.

Following the issuance of the Cease and Desist Order by the Alabama Securities Commission, all of the Officers and Directors of the Company resigned and are no longer associated in any manner with the Company.

The Company vigorously defended the Cease and Desist Order as it applied to the Company. It did not defend the Order as it applied to any other named person or entity, including its former President, John Michael Parsons.

On 14 May 2013, the Company consented to an Order by the Alabama Securities Commission whereby the Cease and Desist Order that had bared the Company from engaging in any offer or sell of securities, including stock and debt securities, was lifted upon the Company consenting to fully comply with all requirements of the Alabama Securities Act going forward. This consent Order, in effect, removed all regulatory restrictions on the Company.
