## **Item 6. Describe the Issuer's Business, Products and Services.**

### **A. Description of the Issuer's Business Operations:**

The Company's wholly-owned subsidiary, Cartel Blue, Inc., a Wyoming corporation, is a Los Angeles, California-based, eco-friendly apparel company that utilizes high quality fabrics and designs with contemporary and edgy marketing strategies in conjunction with popular and unique celebrities in the film, television and music industries. Cartel Blue primarily manufactures and markets eco-friendly cotton premium jeans and sportswear for both men and women. Cartel Blue manufactures all of its apparel products in the United States of America while utilizing the best in class of fabric suppliers and apparel designers.

Cartel Blue's mission is to bring unique eco-friendly premium jeans and sportswear to consumers concerned with high quality fashion and/or social issue changes that enlarge their personal freedoms.

Our target segments are brands and retailers that focus their efforts in servicing midrange premium jean market with prices from \$150-250. Retail, and midrange premium standard sportswear market with prices from \$50-100 retail. For these segments, our value proposition is to be a high quality product with an operation system to deliver, at large scale, differentiated jeans and tops to the market in a timely manner.

Our apparel products are superior to most of our competitors because we source eco-friendly fabrics, utilize American grown and woven premium cotton fabrics, have forward thinking experienced designers, and utilize Los Angeles, California-based premium apparel manufacturers. Moreover, we have unique marketing skill sets that enable us to attract customers at a low cost. These skill sets, inter alia, include working with social issue change organizations seeking to raise funds through direct email sales of Cartel Blue apparel to its members, free standing displays of Cartel Blue apparel in extraordinary locations with distinctive point of purchase attachments to attract consumer attention, and extraordinary celebrity support.

As of April 30, 2017, we had inventory with a value of \$278,804. If sold at the wholesale level, these goods would sell for approximately \$550,000. If sold at the retail level on the Company's website, these goods would sell for approximately \$1,300,000.
