Notes to the Consolidated Financial Statements
September 30th, 2013

NOTE 1 BASIS OF FINANCIAL STATEMENT PRESENTATION

The condensed financial statements presented are those of Cyber Kiosk Solutions, Inc., and Subsidiaries (the "Company"). The accompanying unaudited condensed financial statements have been prepared by the Company pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted in accordance with such rules and regulations. The information furnished in the interim condensed financial statements, includes normal recurring adjustments and reflects all adjustments, which, in the opinion of management, are necessary for a fair presentation of such financial statements. Although management believes the disclosures and information presented are adequate to make the information not misleading, it is suggested that these interim condensed financial statements be read in conjunction with the Company's most recent audited financial statements.

NOTE 2 NOTES PAYABLE

In November, 2012 Cyber-Thingy, Inc. entered into a consulting agreement agreeing to pay a third party \$250,000 for its services for 6 months. On February 8, 2013 the Company and its consultant decided to terminate their agreement in exchange for an additional \$50,000 paid to the consultant as of November 6, 2012, in exchange the consultant has given up all rights to a percentage of revenue generated by the Company. The parties have agreed to a payment schedule beginning in October of 2013 through December of 2014. On October 2, a second Amendment was executed paying the consultant an additional \$30,000 and allowing for a conversion feature for the money owed since November 6, 2012. As of this filing, no part of the debt owed has been converted.

In July, 2013 the Company executed a settlement agreement with the group of investors by which they would receive equity at a later date based on certain benchmarks the Company had to achieve. The Company's President placed his shares in escrow to satisfy the equity portion of the agreement. The investors would receive shares based on the closing price of the Company's stock on certain benchmark dates. The amount of the equity they are to receive can be lowered based on the closing price of the Company's Common stock. The key benchmarks are 6 months and 12 months from July 31, 2013.

Cyber Kiosk Solutions, Inc. produces Point of Sale terminals and Kiosk machines that offer several financial services such as, bill payment, cell phone airtime top up, Prepaid Debit card sales and Prepaid Debit card loads, Domestic and International money remittance. The machines sold by the Company offer manufacture coupons for items such as cereals, candy, soda, and other food items found at supermarkets and convenience stores, electronic gift cards for over 500 restaurants and big box retailers, local specials in many industry areas in the

surrounding areas of proximity to CYBK machines. Additionally, the Kiosks have two separate advertising areas on the main and secondary screens that play advertisements for services, items for sales, coupons, and specials. The Company has executed several distribution agreements for both domestic and international placements of its Kiosk systems. To help facilitate the placement of the Kiosks the Company entered into partnership agreement with Empasys and Preway which collectively have approximately 20,000 combined locations that will be converted to one of the Cyber Kiosk solutions. The Company has entered into an agreement in the Dominican Republic with the potential of placing several thousands of the machines within the country through a partnership with a cell phone company. The other partnership would be with the government for the sale of lottery tickets and the collection of revenue that the government is losing through abuse within its current system. The lottery software is currently being reviewed. The Company is working on other partnerships and acquisitions to help expand its distribution locations and add functionality to the Kiosks so the consumer spends more time and money at the Kiosks. The Kiosks give the companies providing services the ability to expand without the need to build a brick and mortar store. The Company executed an LOI to acquire a Kiosk system designed for the Golf industry as part of the acquisition the Company would own all the designs and patents. These Kiosks would be distributed to golf courses around the country utilizing a revenue share program with the golf courses.
