

July 28, 2015

STATEMENT WITH REGARD TO COMPANY FINANCIALS:

The quarterly report for period ending March 31, 2015 has been amended due to an error reflecting former CEO Peter Villiotis as an officer during the May 21, 2015 publication. Although these financials reflect the period ending prior to the FINRA approved reverse merger and name change to Drone Services USA, Inc., the publication of such was subsequent to Mr. Villiotis's resignation.

This amended statement reflects the certification of company CEO & President, Joel Bredow.

This amended statement reflects the new CUSIP, assigned subsequent the corporate action.

The corporate annual financial statement for period ending June 30, 2015, due September 30, 2015, will be filed on time as per the requirements of OTC Markets. If audited, the report will be filed no later than October 30, 2015, as per the requirements of OTC Markets. This financial statement will reflect the consolidation of the former PV Enterprises International, Inc. and Drone Services USA, Inc., whose reverse merger was approved and announced by FINRA on April 29, 2015.

Signed:

Joel Bredow, President & CEO
