Eco Depot, Inc.

To Whom It May Concern,

Effective April 25, 2016, I will no longer serve as an officer or director of the company. I will, with the advice of shareholders and others, assist in the search for a replacement Chief Executive Officer and all other offices which are vacant as a result of my resignation.

I will continue to serve ECDP in my capacity as an attorney and accountant in providing consulting advice on an as-needed basis at the request of the new management and will ensure there is a smooth transition to the new leadership.

Many thanks to all who allowed me to lead the company through the transition to the point where it now has several brands for which it serves as an agent as well as a forward-thinking marketing strategy for the products and brand recognition general, utilizing social media.

Sincerely,

James R.J. Scheltema  
President/Ex-President
