Re: Energtek Inc. Adequate Current Information

Ladies and Gentlemen:

This firm has been retained by Energtek Inc., a Nevada corporation (the "Issuer"), for the purpose of providing this letter with respect to the information publicly disclosed by the Issuer published through the OTC Disclosure and News Services. David Lubin, an attorney at this firm, has acted as U.S. legal counsel to the Issuer for approximately ten years. OTC Markets Group, Inc. is entitled to rely on this letter in determining whether the Issuer has made adequate current Information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

In connection with this letter, we have reviewed the Issuer's Annual Report for the year ended December 31, 2015 posted on the OTC Disclosure and News Service on March 31, 2016, including the Company's financial statements (the "Information") posted on the OTC Disclosure and News Service on March 31, 2016, and such other corporate records, certificates of officers, certificates of public officials, and other documents and instruments and such questions of law as we have considered necessary or appropriate to require as a basis for the determination expressed herein. For purpose of this letter, we have assumed (i) the genuineness of all signatures and the authenticity and completeness of all corporate records, certificate of officers, certificates of public officials, and other documents and instruments submitted to us a originals; (ii) the conformity of authentic originals of all corporate records, certificate of officers, certificates of public officials, and other documents and instruments submitted to us certified, conformed, photostatic or facsimile copies thereof and (iii) the accuracy and adequacy of disclosures made to us by the Issuer, the Issuer's management and the Issuer's board of directors. We have no reason to believe that such records, certificates and other documents are not accurate, authentic or reliable and we make no assurances as to the accuracy and adequacy of such documents.

It is our opinion that the Information (i) constitutes "adequate current public information" concerning the Issuer and "is available" within the meaning of Rule 144(c)(2) under the Securities Act and (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"). The Information, on its face, appears to comply in all material aspects of the OTC Pink Basic Disclosure Guidelines.

The financial statements contained in the Information are not audited. We have been advised by management that the financial statements were prepared by Liron Bachor, a CPA since 2014 who worked at the Israeli office of BDO for almost five years until September 2014 when he began working for the Issuer.

The Issuer's transfer agent is Pacific Stock Transfer Company, with an address at 173 Keith Street, Suite 3, Warrenton, Virginia 20186, (571) 485-9999. Pacific Stock Transfer is registered with the Securities and Exchange Commission. The Issuer has confirmed to us that a stockholder list provided by Pacific Stock Transfer was used to confirm the number of issued and outstanding shares of common stock. The report of the transfer agent as of December 31, 2015 states that the Issuer had 377,486,271 shares of common stock issued and outstanding.

Mr. Lubin is an U.S. resident and has (i) personally met with the management and with a majority of the members of the board of directors of the Issuer, (ii) reviewed the Information, and (iii) discussed the Information with the management and with a majority of the board of directors of the Issuer. We have no reason to believe that such sources are not reliable.

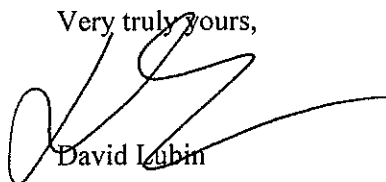

Our attorneys working with the Issuer are licensed to practice law only in the State of New York. Accordingly, the foregoing letter applies only insofar as the existing applicable federal laws and the law of the State of New York, including the applicable statutory provisions of the New York Business Corporation Law, all applicable provisions of the New York Constitution and reported judicial decisions interpreting those laws. We express no opinion as to the laws of any other jurisdiction.

We are permitted to practice before the Securities and Exchange Commission and have not been prohibited from practice thereunder.

To the best of our knowledge, after inquiry of management and certain members of the board of directors of the Issuer, neither the Issuer nor, any 5% holder of the Issuer's common stock, or any member of our firm working with the Issuer, is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws.

This letter is limited to the matters set forth herein and no opinion may be inferred or implied beyond the matters expressly contained herein. Except as otherwise set forth herein, this opinion is being provided solely for the purpose of determining whether the Company has made adequate current information publicly available within the meaning of the Rule 144(c)(2) under the Securities Act of 1933. This letter is rendered solely to Pink Sheets in connection with the Attorney Letter Agreement between the OTC Markets Group, Inc. and this firm, and may not be relied upon by other persons or for other purpose without our prior written consent. This letter may not be filed with any governmental agency or other persons, without obtaining our prior written approval.

Very truly yours,

David Lubin
