Re: EKO International Corp. - EKOJ.PK  
Sufficiency of Adequate Current Information

To Whom It May Concern:

Please be advised that I am securities counsel for EKO International Corp., a corporation organized under the laws of the State of Delaware (the "Issuer"). I have been requested as securities counsel to the Issuer to render a sufficiency of adequate current information opinion (the "Opinion") in connection with the filing by the Issuer of an initial information statement (the "Initial Information Statement") pursuant to Rule 15c2-11(a)(5) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 144(c)2 under the Securities Act of 1933, as amended (the "Securities Act").

This Opinion opines that the Initial Information Statement as filed: (i) constitutes adequate current public information concerning the shares of common stock of the Issuer (the "Securities") and the Issuer and is available within the meaning of Rule 144(c)(2) under the Securities Act; (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the shares of common stock of the Corporation (the "Securities"), under Rule 15c2-11 of the Exchange Act; (iii) complies as to form with the Pink Sheets Guidelines for Providing Adequate Current Information, which are located on the Internet at [www.pinksheets.com](http://www.pinksheets.com); and (iv) has been posted in the Pink Sheets News Service. Please be advised that Pink Sheets LLC ("Pink Sheets") is entitled to rely on the Opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act.

In rendering the Opinion, I have reviewed such corporate records and other documents as I deemed necessary regarding the filing of the Initial Information Statement. In addition, I have made such investigations and have considered such questions of law as I deemed necessary and appropriate for the purposes of rendering this Opinion. In all such examinations, I have assume the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies and the authenticity of all originals of such documents submitted as copies. Further, in all such examinations, I may have relied on information obtained from public officials, officers of the Issuer and other sources and represent that all such sources are believed to be reliable.

The person responsible for the preparation of the financial statements and notes thereto contained in the Initial Information Statement (the "Financial Statements") is Casey Bruyns. Mr. Casey Bruyns is a chartered accountant (the "Accountant") and is engaged as the Chief Financial Officer for the Issuer. The Financial Statements are not audited. The Accountant compiled the balance sheets of the Issuer and the related statements of operations, stockholders' equity and cash flows in accordance with the Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The compilation is limited to presenting information that is the representation of management.

The Issuer's transfer agent (the "Transfer Agent") is Columbia Stock Transfer Company, 601 E. Seltice Way, Suite 202, Post Falls, Idaho 83854. The Transfer Agent is registered with the Securities and Exchange Commission. All quotes of the Issuer's Securities in this production were made by the undersigned from verbal communication with the Transfer Agent during the process of production, ensuring the most accurate and timely information. The method used by counsel to confirm the number of outstanding shares of common stock of the Issuer was receipt of a shareholders' list dated as of September 30, 2008.

The documents containing the information concerning the Issuer and the Securities that are publicly available as of the date of filing of approximately October 27, 2008 and that I have reviewed in connection with the preparation of this Opinion (the "Information") are as follows:

- Information and Disclosure Statement Pursuant to Rule 15c2-(11)(a)(5) under the Securities Exchange Act of 1934 of EKO International Corp. dated June 30, 2008 as filed with Pink Sheets on October 27, 2008.
- Unaudited Balance Sheet dated as of June 30, 2008; Statement of Operations for Six-Month Periods Ended June 30, 2008 and 2007; Statement of Shareholders Equity dated June 30, 2008; Statement of Cash Flows for Six-Month Periods Ended June 30, 2008 and 2007.
- Information and Disclosure Statement Pursuant to Rule 15c2-(11)(a)(5) under the Securities Exchange Act of 1934 of EKO International Corp. dated March 31, 2008 as filed with Pink Sheets on June 11, 2008.
- Unaudited Balance Sheet, Statement of Cash Flows, Statement of Income and Retained Earnings and Statement of Changes in Stockholders' Equity for fiscal year ended December 31, 2007 as filed with Pink Sheets on May 7, 2008.
- Articles of Incorporation and all amendments thereto as filed with Pink Sheets on October 27, 2008.
- Bylaws as filed with Pink Sheets on October 27, 2008.

I have personally reviewed the Initial Information Statement together with all exhibits and it is my legal opinion that the Initial Information Statement comports with all necessary requirements of Rule 144(c)(2) under the Securities Act, and that the Initial Information Statement is accurate, up to date, and contains the most current information available on the Issuer, and that an interested investor would find current information therein which could help him objectively determine corporate and financially relevant information better enabling him to make an informed and educated and intelligent decision. I have also personally met and discussed with management and a majority of the directors of the Issuer the Initial Information Statement, and reviewed the information provided in the Initial Information Statement, and received management's approval of this Opinion and all filings hereunder. Moreover, to the best of my knowledge, after inquiry of management and the members of the Board of Directors of the Issuer, neither the Issuer nor its Board of Directors nor any 5% or greater shareholder is currently under investigation by any Federal or state regulatory authority for any violations of federal or state securities laws.

I have never been prohibited from practicing before the Securities and Exchange Commission.
