Re: Extensions, Inc.
EXTI

Dear OTC Markets Group Inc.:

The undersigned represents Extensions, Inc., which trades on the OTC Pink Market under the trading symbol, "EXTI" ("Issuer"). The undersigned is a U.S. domiciliary and has been retained by the Issuer for the purpose of rendering this letter and related matters, as the Issuer's securities attorney, serving as regular disclosure counsel. I am authorized to practice law before the Securities and Exchange Commission and have not been prohibited from practice thereunder. I am also authorized to practice before all of the courts of the state of California, and the federal court for the Central District of California. OTC Markets Group Inc. is entitled to rely on this letter in determining whether the Issuer has made adequate current information available within the meaning of Rule 144c (2) under the Securities Act of 1933.

In rendering this opinion, I have examined such corporate records and other documents and such questions of law as I considered necessary or appropriate for purposes of rendering an opinion, including but not limited to the following documents and representations, which were provided to me by EXTI representatives, and public records of the Securities and Exchange Commission and state of Nevada, which sources I believe to be reliable. All representations made to me in EXTI documents and by EXTI representatives are deemed to be accurate and reliable. The documents I reviewed are as follows: the articles of incorporation of the company and amendments thereto, filed June 17, 2011; the Initial Company Information and Disclosure Statement, for the period ended June 30, 2011, filed July 8, 2011; the document entitled, "Annual Report," containing financial statements for the period ended December 31, 2009 and 2010, filed July 8, 2011, and financial statements, and related balance sheet, statement of operations, statement of cash flows, statement of changes in stockholder equity, and notes, prepared according to GAAP; the document entitled "Quarterly Report," filed June 23, 2011, containing financial statements for the period ended March 31, 2011, and related balance sheet,

statement of operations, statement of cash flows, statement of changes in stockholder equity and notes, prepared according to GAAP; and the document entitled "Quarterly Report," filed October 3, 2011, containing financial statements for the period ended June 30, 2011, and related balance sheet, statement of operations, statement of cash flows, statement of changes in stockholder equity and notes, prepared according to GAAP.

Based upon the foregoing, it is my opinion that the information (i) constitutes adequate current public information concerning the Securities of the Issuer and is available within the meaning of Rule 144c(2) under the Securities Act; (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c-211 of the Securities Exchange Act of 1934 (the "Exchange Act"); (iii) complies as to form with the OTC Markets Group's Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com and (iv) has been posted on the OTC Disclosure and News Service.

The person responsible for the preparation of the financial statements contained in the information is the company's Chief Executive Officer, Crawford Shaw, 770 South Post Oak Lane, Houston, TX 77056; Telephone: 832-487-8689, who is qualified to prepare the financial statements. As the Disclosure Statement indicates, Mr. Crawford Shaw has over 30 years experience as an international lawyer focusing in areas of international law and finance. As a founding partner of Shaw and Reed Mr. Shaw served as legal and financial management consultant to several small and medium sized private and public companies. The financial statements are unaudited.

The Company's Transfer Agent is Transfer Online, Inc., who is registered with the SEC, and the transfer agent's shareholder list was used to verify outstanding share figures for the periods reported.

I have personally met with management and a majority of the directors of the issuer; have reviewed the information, as amended, published by the Issuer on the OTC Disclosure and News Service and discussed the information with management.

To the best of my knowledge, after inquiry of management and the directors of the Issuer, neither the Issuer, nor any officer director or any 5% holder, or counsel is currently under investigation by any federal or state regulatory authority for violation of federal or states securities laws.

OTC Markets Group has the full and complete permission and rights to publish this letter in the OTC Disclosure and News Service for viewing by the public and regulators, but no person other than OTC Markets Group is entitled to rely on it.

Sincerely yours,
