INFORMATION CIRCULAR

(Containing information as at April 2, 2015 unless indicated otherwise)

SOLICITATION OF PROXIES

The management of the Corporation solicits proxies to be used at the annual and special meeting of shareholders (the “Meeting”) of the Corporation to be held at the time and place and for the purposes set forth in the attached Notice of Meeting and at any adjournment thereof. The cost of this solicitation will be borne by the Corporation. Accordingly, the management of the Corporation has drafted this information circular (the “Information Circular”) that it is sending to all the security holders entitled to receive a Notice of Meeting.

If you cannot attend the Meeting in person, complete and return the enclosed form of proxy following the instructions therein.

QUORUM FOR THE TRANSACTION OF BUSINESS

The Corporation’s By-Laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of at least two shareholders, present in person or represented by proxy, holding at least 10% of the votes attached to outstanding voting shares.

RIGHT OF REVOCATION OF PROXIES AND APPOINTMENT OF PROXYHOLDER

The persons named in the enclosed form of proxy are directors and officers of the Corporation. **A shareholder has the right to appoint as his or her proxy a person, who need not be a shareholder, other than those whose names are printed on the accompanying form of proxy.** A shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so either by inserting such other person’s name in the blank space provided in the form of proxy and signing the form of proxy or by completing and signing another proper form of proxy.

A shareholder may revoke a proxy at any time prior to its use by sending an instrument in writing executed by him, or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized in writing, at the same address where the form of proxy was sent and within the delays mentioned therein or two business days preceding the date the Meeting resumes if it is adjourned, or remit to the chairman of such Meeting on the day of the Meeting or any adjournment thereof if applicable.

EXERCISE OF DISCRETION BY PROXIES

The management undertakes to respect the holder's instructions.

The common shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder thereon. In the absence of instructions, the agent will exercise the right to vote IN FAVOUR of each question defined on the form of proxy, in the Notice of Meeting or in the Information Circular.

Unless otherwise specified herein, all resolutions will be adopted by a simple majority of the votes represented at the Meeting.

Management does not know and cannot foresee at the present time any amendments or new points to be brought before the Meeting or any adjournment thereof. If such amendments or new points were to be properly brought before the Meeting, or any adjournment thereof, the persons named in the enclosed form of proxy will vote on such matters in the way they consider advisable.

ADVICE TO NON REGISTERED SHAREHOLDERS

The information set forth in this section should be reviewed carefully by the non-registered shareholders. Shareholders who do not hold their shares in their own name, non-registered shareholders, (the “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records maintained by the Corporation’s registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, those shares will, in all likelihood, *not* be registered in the shareholder’s name. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

National Instrument 54-101- *Communication with Beneficial Owner of Reporting Issuers* (“NI 54-101”) of the Canadian Securities Administrators requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (*i.e.*, the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

In Canada, the vast majority of brokers now delegate responsibility of obtaining instructions from clients to Broadridge Financial Solutions Inc. (“BFSI”). BFSI typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to BFSI, or otherwise communicate voting instructions to BFSI (by way of the Internet or telephone, for example). BFSI then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives a BFSI voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction forms must be returned to BFSI (or instructions respecting the voting of shares must otherwise be communicated to BFSI) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through a broker or other intermediary, please contact your broker or other intermediary of assistance.

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”), or

“OBO’s”) and those who do not object to their identity being made known to the issuers of the securities they own (“Non-Objecting Beneficial Owners”, or “NOBO’s”). Subject to the provision of NI 54-101 issuers may request and obtain a list of their NOBO’s from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for delivering these materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Corporation’s OBO’s can expect to be contacted by BFSI or their brokers or their broker’s agents as set out above.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his or her broker (or his or her broker’s agent), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the shares as proxyholder for the registered shareholder by entering his or her own name in the blank space on the proxy form provided to him or her by his or her broker (or his or her broker’s agent) and return it to that broker (or that broker’s agent) in accordance with the broker’s instructions (or the agent’s instructions).

All references to shareholders in this Information Circular, the enclosed form of proxy, and the Notice of Meeting are to the registered shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any of the following persons in any matter to be acted upon at the Meeting:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation’s last financial year;
- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

AUTHORIZED CAPITAL STOCK, VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital stock of the Corporation consists of an unlimited number of common shares without par value and an unlimited number of special shares. Each common share entitles its holder to one vote. On the date hereof, there were 120,177,147 common shares of the Corporation issued and outstanding and no special shares are issued and outstanding.

The board of directors of the Corporation (the “**Board**”) fixed the close of business on March 30, 2015 the record date (the “**Record Date**”) for determining which shareholders shall be entitled to receive notice of the Meeting and to vote in person or by proxy at the Meeting or any adjournment thereof. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten (10) days after the Record Date, an alphabetical list of the shareholders entitled to vote as of the Record Date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting. The list of shareholders is available for inspection during usual business hours at the management office of the Corporation.

To the knowledge of the directors and executive officers of the Corporation, no person beneficially owned, directly or indirectly, or exercised control or direction over, common shares carrying more than 10% or more of the voting rights attached to all outstanding shares of the Corporation as of the date hereof.

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

To the knowledge of the Corporation, except as disclosed below, none of the foregoing nominees for election as a director of the Corporation:

- (a) is, or within the last ten years has been, a director, chief executive officer or chief financial officer of any company that:
 - (i) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under applicable securities legislation, and which in all cases was in effect for a period of more than 30 consecutive days (an “**Order**”), which Order was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer of such company; or

- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

Gary Economo and Judith Mazvihwa-Maclean are currently the Chief Executive Officer and the Chief Financial Officer respectively of the Corporation. The Ontario Securities Commission (the “**OSC**”), in accordance with its guidelines, issued a Management Cease Trade Order (“**MCTO**”) that prohibited, all trading of the securities of the Corporation by Mr. Economo and Mrs. Mazvihwa-Maclean. The MCTO was issued following a review by the OSC of the Corporation’s disclosure on its Lac Knife Project (the “**Project**”).

The OSC advised that it was of the view that the Corporation had disclosed, in numerous documents, the outcomes on a study that includes the economic analysis of the potential viability of mineral resources on the Project that was not supported by a technical report as required by National Instrument 43-101 - *Standards of Disclosure for Mineral Projects* (“**NI 43-101**”). On September 10, 2012, the Corporation announced that it had clarified the disclosure on the Project. The management cease trade order remained in place until lifted by the OSC upon application by the Corporation following the filing of the NI 43-101 compliant technical report on the Project filed on SEDAR on October 31, 2012. The interim order and management cease trade order were in effect for a total of 40 days.

Mr. Bernier was a director of Majescor Resources Inc. when on July 19, 2013, the Autorité des Marchés Financiers (the “**AMF**”), in accordance with its guidelines, issued a temporary Management Cease Trade Order (“**MCTO**”) that prohibited, all trading of the securities by management and board Members. The MCTO was imposed due to the failure of Majescor Resources Inc. to file annual financial statements and annual management’s discussion and analysis for the twelve-month period ended February 28, 2013 within the prescribed time for filing. On August 29, 2013, the ceased trade order was lifted by the AMF.

You can vote for the election of all the candidates described above, vote for the election of some of them and withhold from voting for others, or withhold from voting for all of them. Unless otherwise instructed, the persons named in the accompanying form of proxy will vote FOR the election of each of the candidates described above as director of the Corporation.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“**NEO**”) means:

- (a) a Chief Executive Officer (“**CEO**”);
- (b) a Chief Financial Officer (“**CFO**”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Gary Economo, CEO, Donald Baxter, President and COO, Judith Mazvihwa-MacLean, CFO and Jeffrey York, Chairman of the Board.

Compensation Program Objectives

The objectives of the Corporation’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Corporation’s continued success;

- to align the interests of the Corporation's executives with the interests of the Corporation's shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Corporation is a mining company involved in exploration and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's business objectives and values.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a bonus meant to motivate the NEO and is determined on a case by case basis. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Stock options are generally awarded to NEOs on an annual basis. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

Compensation of the NEOs of the Corporation is reviewed annually by the Compensation Committee who makes its recommendation to the Board. The Board approves the compensation of each NEO based on the recommendation of the Compensation Committee.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee and the Board rely on the general experience of its members in setting base salary amounts.

Performance Bonuses

The bonus for each individual NEO is determined on a case by case basis. The factors considered in assessing the bonus amounts include, but are not limited to, the position of the NEO and expense control.

Stock Options

The Corporation has established a formal plan (the “**Stock Option Plan**”) under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Stock Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price and expiry date. For further information regarding the Stock Option Plan refer to section “*Securities Authorized for Issuance Under Equity Compensation Plans*”.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange (the “**TSX-V**”).

Compensation Risk Management

The Board has not proceeded to an evaluation of the implications of the risks associated with the Corporation’s compensation policies and practices. The Corporation has not adopted a policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Corporation’s securities granted as compensation or held, directly or indirectly, by directors or officers. The Corporation is not, however, aware of any directors or officers having entered into this type of transaction.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the performance bonuses and granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

- (iii) a reorganization, amalgamation or merger (or plan of arrangement in connection with any of the foregoing), not approved by the Board, other than solely involving the Corporation and one or more of its affiliates, with respect to which substantially all of the persons who were the beneficial owners of the shares in the capital of the Corporation immediately prior to such reorganization, amalgamation, merger or plan of arrangement do not, following any such event, beneficially own, directly or indirectly, more than forty (40%) per cent of the aggregate voting power of all outstanding equity shares of the Corporation; or
- (iv) a change in the composition of the Board which occurs at a single meeting of the shareholders of the Corporation or upon the execution of a shareholder's resolution, such that individuals who are members of the Board immediately prior to such meeting or resolution cease to constitute a majority of the Board, without the Board, as constituted immediately prior to such meeting or resolution, having approved of such change or with one exception being that the change of control as per (i), (ii), (iii) and (iv) above, has been the result of a proposal put forward and ratified by the Board, and the NEOs are offered the same or higher remuneration, benefits and bonuses as per their contracts, and the NEOs' duties continue to be reflective of the status of the NEO and qualifications prior to the change in control as an NEO (nothing less) of the surviving entity.

Mr. Donald Baxter's contract provides that if his consulting agreement with the Corporation is terminated within after one year following execution, Mr. Baxter will serve a six month notice period or the Corporation will pay Mr. Baxter in lieu of the notice. This notice period increases to one year if the contract is terminated two years following execution.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

During the fiscal year ended September 30, 2014, and as at the date of this Information Circular, none of the directors, executive officers, employees, (or previous directors, executive officer, or employees of the Corporation), each proposed nominee for election as a director of the Corporation (or any associate of a director, executive officer or proposed nominee) was or is indebted to the Corporation with respect to the purchase of securities of the Corporation and for any other reason pursuant to a loan.

INTEREST OF INFORMED PEOPLE IN MATERIAL TRANSACTIONS

Except for the transaction with Mincom Capital Inc. ("**Mincom**") which is explained below, the Management of the Corporation is not aware of any material interest, direct or indirect, that any director, proposed director, officer, shareholder of the Corporation holding, directly or indirectly, as beneficial owner, more than 10% of the outstanding common shares of the Corporation or any associate or affiliate of any such person would have in any material transaction concluded since the beginning of the last financial year of the Corporation or in any proposed transaction which had or could have a material effect on the Corporation, other than what is disclosed in this Information Circular.

On September 27, 2013, the Corporation announced that it had entered into a letter agreement with Mincom pursuant to which the Corporation would sell to Mincom all of its rights, title and interest in a series of 149 contiguous and 2 isolated map-designated mining claims located in the Labrador Trough sector of Nunavik, Northern Québec, and collectively referred to as the Romer base and precious metals (Cu-Zn-Ni-Au-PGE) Property (the "**Property**"). The acquisition of the Property constituted Mincom's "Qualifying Transaction" in accordance with Policy 2.4 of the TSX-V ("**Policy 2.4**").

On May 8, 2014, the Corporation announced the closing of the transaction. Under the terms of the property acquisition agreement, Mincom acquired the Property for the following consideration:

- (a) Cash payment of \$250,000 to the Corporation; and
- (b) The issuance of 2,500,000 Mincom common shares to the Corporation at a deemed price of \$0.30 per share for a total of \$750,000.

In accordance with TSX-V policies, all of the shares issued to the Corporation were subject to escrow over a period of 36 months.

The Corporation and Mincom were not dealing at arm's length given that Gary Economo, Jeffrey York, March-André Bernier and Chester Burt (the "**Non-Arms' Length Parties**") are also directors of Mincom. Accordingly, the Qualifying Transaction was a "Non-Arms' Length Qualifying Transaction" within the meaning of Policy 2.4. The Non-Arms' Length Parties did not participate in the deliberations of the Board in connection with the proposed transaction.

APPOINTMENT OF AUDITORS AND AUTHORIZATION GIVEN TO THE BOARD TO FIX THE REMUNERATION OF THE AUDITORS

On November 4, 2014, the Corporation accepted the resignation of Raymond Chabot Grant Thornton LLP (“**RCGT**”) as the auditors of the Corporation and had named KPMG LLP (“**KPMG**”) as new auditors of the Corporation. RCGT had been auditors of the Corporation since October 29, 2010.

The management proposes that KPMG be appointed as auditors of the Corporation for the financial year ending September 30, 2015 and that the Board be authorized to fix the remuneration of the auditors.

The persons designated in the accompanying form of proxy will vote IN FAVOUR of the appointment of KPMG as auditors of the Corporation and IN FAVOUR of the authorization given to the Board to fix their remuneration, unless the shareholder specifies in the form of proxy to withhold from voting in this regard.

In light of the foregoing, a reporting package is annexed to this Information Circular as Schedule A, as required by National Instrument 51-102 - *Continuous Disclosure Obligations*. The reporting package contains a: (i) Notice of Change of Auditors dated November 5, 2014 by the Corporation; (ii) letter dated November 5, 2014 from RCGT; and (iii) letter dated November 5, 2014 from KPMG.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

APPROVAL OF THE STOCK OPTION PLAN

The material terms and conditions of the Stock Option Plan are set out under the heading “*Stock Option Plan*” in this Information Circular.

Under the Stock Option Plan, the Board may, from time to time and at its discretion, grant to directors, officers, employees or consultants of the Corporation options to acquire common shares of the Corporation, provided that the number of options granted does not exceed a maximum of 10% of the aggregate number of common shares of the Corporation issued and outstanding.

Consequently, the number of common shares that are reserved under the Stock Option Plan is automatically increased or decreased as the number of issued and outstanding common shares of the Corporation increases or decreases.

This is known as a “rolling” stock option plan.

Under the rules of the TSX-V, a “rolling” stock option plan must receive shareholder approval yearly, at the annual meeting of shareholders.

Accordingly, the Corporation’s shareholders will be asked to adopt the following resolution:

“IT IS RESOLVED;

1. **THAT** the Stock Option Plan of the Corporation, as described in the Information Circular dated April 2, 2015 be and it is hereby approved and confirmed; and
2. **To** authorize any one director or officer of the Corporation to do all acts and things, to execute and to deliver all agreements, documents and instruments, to give all notices and to deliver file and distribute all documents and information

with such person determined to be necessary or desirable in connection with or to give effect to and carry out the foregoing resolution”

In order to be adopted, the resolution must be approved by a majority of the votes cast by the shareholders, either present in person or represented by proxy at the Meeting.

Unless otherwise specified, the persons named in the accompanying form of proxy intend to vote IN FAVOUR of the resolution approving the Stock Option Plan.

RECONFIRMATION OF SHAREHOLDERS’ RIGHTS PLAN

Shareholders will be asked at the Meeting to consider and, if deemed advisable, to pass a resolution to reconfirm the Shareholder Rights Plan and all rights issued pursuant to the Shareholder Rights Plan (the “**Rights Plan**”). The full text of the Rights Plan is available for consultation on SEDAR at www.sedar.com. The Rights Plan was unanimously adopted by the Board and is subject to ratification, confirmation and approval by the shareholders at the Meeting. The full text of the agreement is contained in an agreement entered into between the Corporation and Computershare Investor Services Inc. on January 6, 2012. The Rights Plan will continue in effect unless the shareholders do not ratify, confirm and approve the Rights Plan.

Background and Purposes of the Rights Plan

The Rights Plan is designed to encourage the fair treatment of shareholders in connection with any take over offer for the Corporation. The Rights Plan will provide the Board and the shareholders with more time to fully consider any unsolicited take over bid for the Corporation without undue pressure, to allow the Board to pursue, if appropriate, other alternatives to maximize shareholder value and to allow additional time for competing bids to emerge.

The Rights Plan is not being proposed in response to, or in anticipation of, any acquisition or take over offer and is not intended to prevent a take over of the Corporation, to secure continuance of current management or the directors in office or to deter fair offers for the Corporation securities. The Rights Plan seeks to protect shareholders by requiring all potential bidders to comply with certain minimum conditions. The Rights Plan may, however, increase the price to be paid by a potential offeror (the “**Offeror**”) to obtain control of the Corporation and may discourage certain transactions. A bidder who does not satisfy these minimum conditions becomes subject to the dilutive features of the Rights Plan.

The Rights Plan does not affect in any way the financial condition of the Corporation. The initial issuance of the rights (a “**Right**” or the “**Rights**”) is not dilutive and will not affect reported earnings or cash flow per common share until the Rights separate from the underlying common shares and become exercisable. The adoption of the Rights Plan will not lessen or affect the duty of the Board to act honestly and in good faith with a view to the best interests of the Corporation and its shareholders. The Rights Plan is designed to provide the Board with the means to negotiate with an Offeror and with sufficient time to seek out and identify alternative transactions on behalf of the shareholders.

Time

Securities legislation in Canada requires a take over offer to remain open for only 35 days. The Board does not believe this period is sufficient to permit it to determine whether there may be alternatives

available to maximize shareholder value or whether other bidders may be prepared to pay more for securities than the Offeror.

To qualify as a Permitted Bid (as defined below), a take over bid must be open for 60 days after the bid is made. If at least 50% of the Corporation common shares and convertible securities subject to the bid that are not held by the bidder are deposited, the bidder may take up and pay for such Corporation securities and the bid must remain open for a further period of ten (10) clear business days on the same terms.

Pressure to Tender

A shareholder may feel compelled to tender to a take over bid, which the shareholder considers to be inadequate out of a concern that in failing to do so, the shareholder may be left with illiquid or minority discounted common shares. This is particularly so in the case of a take over bid for less than all of the Corporation common shares, where the bidder wishes to obtain a control position but does not wish to acquire all of the Corporation common shares. The Rights Plan provides a mechanism, which is intended to ensure that a shareholder can separate the decision with respect to the bid from the decision to tender, lessening undue pressure to tender.

The Rights Plan will encourage an Offeror to proceed by way of a Permitted Bid or to approach the Board with a view to negotiation by creating the potential for substantial dilution of the Offeror's position. The Permitted Bid provisions of the Rights Plan (described below) are designed to ensure that, in any take over bid, all shareholders are treated equally, receive the maximum available value for their investment and are given adequate time to properly assess the bid on a fully informed basis. The Rights Plan allows a partial bid to be a Permitted Bid so long as the bid is for a minimum of 50% of the common shares and convertible securities held by shareholders other than the Offeror and its related parties.

Unequal Treatment: Full Value

The Board was concerned that a person seeking such control might attempt, among other things, a gradual accumulation of the Corporation shares in the open market; the accumulation of a large block of common shares in a highly compressed period of time from institutional shareholders and professional speculators or arbitrageurs; or an offer for any or all of the Corporation shares at what the Board considers to be less than full and fair value. The Rights Plan effectively prohibits the acquisition of more than 20% of the Corporation's outstanding common shares in such a manner. The Rights Plan is designed to encourage any bidder to provide shareholders with equal treatment in a take over and full value for their investment.

Summary of the Rights Plan

The following description of the Rights Plan is a summary only. Reference is made to the Shareholder Rights Plan Agreement, the full text of which is available for consultation on SEDAR at www.sedar.com.

Effective Date

The effective date of the Rights Plan is January 6, 2012 (the “**Effective Date**”)

Term

Upon ratification by the shareholders at a meeting duly called for that purpose, the Rights Plan will terminate on the date of the third annual general meeting thereafter (the “**Third Annual General Meeting**”), unless reconfirmed by the shareholders at the Third Annual General Meeting.

Issue of Rights

The Rights will separate from the common shares and will be exercisable ten (10) trading days (or such later date as may be determined by the Board) (the “**Separation Time**”) after a person has acquired, or commences or publicly announces or discloses its intention to commence a take over bid to acquire, 20% or more of the common shares, other than by an acquisition pursuant to a take over bid permitted by the Rights Plan (a “**Permitted Bid**”).

The acquisition by any person (an “**Acquiring Person**”) of 20% or more of the outstanding common shares, other than by way of a Permitted Bid, is referred to as a “**Flip-in Event**”. As the Rights Plan will be triggered by the acquisition of the Corporation shares by an Acquiring Person other than by way of a Permitted bid, any Rights held by the Acquiring Person will become void upon the occurrence of a Flip-in Event. From and after a Flip-in Event, each Right (other than those held by the Acquiring Person), will permit the purchase of common shares at a discount. The issue of the Rights is not initially dilutive; however, upon a Flip-in Event occurring and the Rights separating from the common shares, reported earnings per common share on a fully diluted or non-diluted basis may be affected. The Acquiring Person, as well as any holders of Rights who do not exercise their Rights upon the occurrence of a Flip-in Event, may suffer substantial dilution.

Certificates and Transferability

Prior to the Separation Time, the Rights will be evidenced by a legend imprinted on certificates for common shares issued from and after the Effective Date and will not be transferable separately from the common shares. From and after the Separation Time, the Rights will be evidenced by Rights certificates that will be transferable and traded separately from the common shares.

Permitted Bid Requirements

The requirements for a Permitted Bid include the following:

- (i) the take over bid must be made by way of a take over bid circular;
- (ii) the take over bid must be made to all holders of common shares;
- (iii) the securities shall be taken up or paid for pursuant to the take over bid no earlier than 60 days following the date of the take over bid, and common shares or convertible securities tendered pursuant to the take over bid may be taken up and paid for only if at such time more than 50% of the common shares or convertible securities held by the shareholders other than the bidder, its affiliates and persons acting jointly or in concert with the bidder (collectively, the “**Independent Shareholders**”) have been tendered to the take over bid and not withdrawn;
- (iv) unless the take over bid is withdrawn, the common shares or convertible securities deposited pursuant to the take over bid may be withdrawn at any time before they are taken up and paid for; and

- (v) if more than 50% of the common shares and convertible securities held by Independent Shareholders are tendered to the take over bid, then the bidder must make a public announcement of that fact and the take over bid must remain open for deposits of common shares and convertible securities for an additional 10 business days from the date of such public announcement.

The Rights Plan allows for a competing Permitted Bid (a “**Competing Permitted Bid**”) to be made while a Permitted Bid is in existence. A Competing Permitted Bid must satisfy all of the requirements of a Permitted Bid.

Waiver and Redemption

The Board may, prior to the Flip-in Event, waive the dilutive effects of the Rights Plan in respect of a particular Flip-in Event resulting from a take over bid that is made by way of a take over bid circular to all holders of securities, or waive one or more of the requirements of a Permitted Bid or a Competing Permitted Bid, in which such waiver would be deemed also to be a waiver in respect of any other Flip-in Event, and any such requirement, occurring under a take over bid made by way of a take over bid circular to all holders of common shares or convertible securities.

The Board may also waive the Rights Plan in respect of a particular Flip-in Event that has occurred through inadvertence, provided that the Acquiring Person that inadvertently triggered such Flip- in Event reduces its beneficial holdings to less than 20% of the outstanding voting shares of the Corporation.

The Board may at any time prior to a Flip-in Event redeem all, but not less than all, of the outstanding Rights at a price of \$0.00001 each.

Form of Resolution

The shareholders will be asked to adopt the following resolutions:

BE IT RESOLVED:

THAT the Rights Plan of the Corporation on the terms of the Rights Plan dated as of January 6, 2012 between the Corporation and Computershare Investor Services Inc., as Rights Agent, be and it is hereby reconfirmed.

THAT any director or officer of the Corporation, be and is hereby authorized, for and on behalf of the Corporation, to execute and to deliver all documents and instruments and do all such other acts or things as such director or officer may determine to be necessary or advisable to implement this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or instruments and the taking of any such actions.

Unless specified in a proxy form that the Corporation’s common shares represented by the proxy shall be voted AGAINST the resolution respecting approval of the Rights Plan, it is the intention of the persons designated in the enclosed proxy form to vote FOR the Rights Plan resolution.

If the Rights Plan is not approved by the shareholders of the Corporation, it will cease to have effect on the date of the Meeting.

AUDIT COMMITTEE CHARTER

The following charter is adopted in compliance with *Multilateral Instrument 52-110 Audit Committees* (“MI 52-110”).

1. MANDATE AND OBJECTIVES

The mandate of the audit committee of the Corporation (the “**Committee**”) is to assist the board of directors of the Corporation (the “**Board**”) in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to regulatory authorities and shareholders, the Corporation’s systems of internal controls regarding finance and accounting and the Corporation’s auditing, accounting and financial reporting processes.

The objectives of the Committee are to:

- (i) serve as an independent and objective party to monitor the Corporation’s financial reporting and internal control system and review the Corporation’s financial statements;
- (ii) ensure the independence of the Corporation’s external auditors; and
- (iii) provide better communication among the Corporation’s auditors, the management and the Board.

2. COMPOSITION

The Committee shall be comprised of at least three (3) directors as determined by the Board. The majority of the members of the Committee shall be independent, within the meaning of MI 52-110.

At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices.

For the purposes of this Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Corporation’s financial statements.

The members of the Committee shall be elected by the Board at its first meeting following each annual shareholders’ meeting. Unless a Chairman is elected by the Board, the members of the Committee may designate a Chairman by a majority vote of all the Committee members.

- 3.3 A quorum for meetings of the Committee shall be a majority of its members and the rules for calling, holding, conducting and adjourning meetings of the Committee shall be the same as those governing meetings of the Board.
