Re: Attorney Letter for Flameret, Inc. ("FLRE")

Ladies and Gentlemen:

This office has been retained as special securities counsel to Flameret Inc., a Wyoming corporation (the "Company"). The company requested that I review the Company's Disclosure Statement and unaudited Quarterly Financial Statement for period ending May 31, 2014 posted through OTC Disclosure and News Service (the "Service") on July 13, 2014, as well as other documents submitted in connection therewith and discussed below. OTC Markets Group, Inc. is entitled to rely on this letter in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933. OTC Markets Group, Inc. has full and complete permission and rights to publish this letter with the Service for viewing by the general public and regulators, but no person other than OTC Markets Group, Inc. may rely upon this Opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) of the Securities Act of 1933.

This Attorney Letter relates to the laws of the United States, including the Securities Act of 1933 and the corporate laws of the state of Wyoming. The undersigned is a resident of the United States, and a member in good standing of the bar of the State of New York since 1995. The undersigned is permitted to practice before the Securities and Exchange Commission (the "SEC") and has not been prohibited from practice thereunder.

To render this opinion I have examined such corporate records and other documents and such questions of law as I deemed necessary. In examining the documents, I have assumed the genuineness of signatures (both manual and conformed), the authenticity of documents submitted as originals, the conformity with originals of all documents furnished as copies, and the correctness of the facts set forth in such documents. During the course of my investigation, nothing came to my attention that led me to conclude that any such documents were not genuine or authentic or that the facts set forth therein were not true.

This opinion is expressed solely on the facts and assumptions as set forth herein and is specifically limited to the investigations and examinations I deemed necessary. After such investigations I know of no facts which lead me to conclude that any opinion set forth below is

not correct. With respect to matters of a factual nature, I have relied on information obtained from directors and officers of the Company as well as other sources, and these sources are believed to be reliable.

The following list represents those documents that have been made publicly available, including the date this information was posted with the Service, and further represents those documents I reviewed in connection with the preparation of this letter of opinion (the "Information"):

1. Disclosure Statement and Quarterly Financial Report for period ending November 30, 2012, posted June 30, 2014;
2. Disclosure Statement and Quarterly Financial Report for period ending February 29, 2013, posted July 1, 2014;
3. Disclosure Statement and Quarterly Financial Report for period ending May 31, 2013, posted July 4, 2014
4. Annual Report and Financial Statement (Unaudited) for period ending August 31, 2013, posted July 8, 2014;
5. Amended Annual Report for period ending August 31, 2013, posted July 10, 2014;
6. Disclosure Statement and Quarterly Financial Report for period ending November 30, 2013, posted July 11, 2014;
7. Disclosure Statement and Quarterly Report for period ending February 28, 2014 posted July 12, 2014; and
8. Disclosure Statement and Quarterly Report for period ending May 31, 2014, posted July 13, 2014.

I have no reason to believe that at the time such information listed above was published to the Service, that any of the information contained an untrue statement of material fact or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

I have personally reviewed the Information as contained in the Company's Information and Disclosure Statements and unaudited Quarterly Reports for periods ending November 30, 2012, February 29, 2013, May 31, 2013 and the Disclosure Statement and unaudited Annual Report for year ending August 31, 2013, the amended Disclosure Statement for fiscal year end August 31, 2013, the Information and Disclosure Statements and unaudited Quarterly Report for periods ending November 30, 2013, February 28, 2014 and May 31, 2014. I have personally met with and discussed this information with the Board of the Directors, as well as the Chief Financial Officer and deemed these sources of information to be reliable as it relates to the information discussed and disclosed.

The Company's transfer agent is Island Stock Transfer, an SEC registered transfer agent. The method used to obtain the number of outstanding shares as set forth in the Annual Report and most recent Quarterly report posted was via a written request to the transfer agent and their subsequent response denoting the date of such record. I personally reviewed the shareholder report as provided by Island Stock Transfer and confirmed this information relating to the number of outstanding shares as contained in the financial reports.

The Annual Report for period ending August 31, 2013 and Quarterly Report for the period ending May 31, 2014, as well as all other Disclosure Statements and Financial Reports posted,

were prepared by John Meredith of Woodview, 49 Westerham Road, Bassels Green, Sevenoaks, Kent, UK. Mr. Meredith is a CPA with extensive experience auditing public companies and in the preparation of financial statements. Mr. Meredith is the Company's Chief Financial Officer, Treasurer and a Director, and is very familiar with the history and records of the Company.

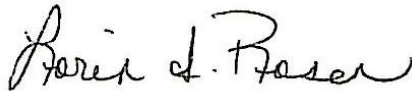

After such limited examination, and other such investigation that I deemed necessary, I am of the opinion that:

Adequate current public information is now available concerning the Company within the meaning of Rule 144(c)(2) under the Securities Act, and the information includes all of the information that a broker-dealer would be required to obtain from the company to publish a quotation for the Securities pursuant to Rule 15c2-11 under the Securities Exchange Act of 1934, as amended. Further, this information as posted through the OTC Disclosure and News Service, complies as to form with the OTC Markets Group, Inc. Guidelines for Providing Adequate Current Information.

To the best of my knowledge neither the Company, any 5% holder of the Company's common stock, nor counsel is currently under investigation by any federal or state regulatory authority for an violation of federal or state securities laws.

No person other than OTC Markets Group, Inc. is entitled to rely on this opinion, and I assume no obligation to update or supplement this opinion letter to reflect any change in fact or law which may hereafter occur.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lorin A. Rosen".
