Re: Current Information for Fortran Corporation (FRTN)

Ladies and Gentlemen:

This office has been retained as special securities counsel to Fortran Corporation, a North Carolina corporation (the "Company"), in order to render an opinion letter in connection with the adequacy of the Company's public disclosure documents posted on <http://www.otcmarkets.com>. I am a United States resident.

In connection with rendering this opinion, I have investigated such matters and examined such documents as I have deemed necessary. In examining the documents, I have assumed the genuineness of signatures (both manual and conformed), the authenticity of documents submitted as originals, the conformity with originals of all documents furnished as copies, and the correctness of the facts set forth in such documents. Nothing came to my attention during the course of my investigation that led me to conclude that any such documents were not genuine or authentic or that the facts set forth therein were not true.

This opinion is expressed solely on the facts and assumptions set forth herein and is specifically limited to the investigation and examinations stated and such other investigation as I deemed necessary. After such investigation I know of no facts which lead me to conclude that any opinion set forth below is not correct. Further, I am licensed to practice law in the State of Massachusetts, and this opinion is limited to the laws of the United States. I am permitted to practice before the Securities and Exchange Commission (the "SEC") and have not been prohibited from practice thereunder. I have relied on information obtained from officers of the Company and other sources, and these sources are believed to be reliable.

I have reviewed and understand the OTC Pink Basic Disclosure Guidelines (Version v1.1 April 25, 2013) and confirm that the Company has posted adequate information that complies in all

material respects with the Guidelines and the information has been posted to the OTC Disclosure and News Service.

I have reviewed the Company's most recent Balance Sheet (posted on November 15, 2013), Income Statement (posted on November 15, 2013), Statement of Cash Flows (posted on November 15, 2013) and Footnotes (posted on November 15, 2013) for the quarter ended September 30, 2012 and 2013, and the Issuer Disclosure Statement (posted on November 25, 2013), and after reasonable investigation, I have no reason to believe that, at the time such information was published to the OTC Disclosure and News Service, the information contained an untrue statement of material fact or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

I have personally met with the Officers and Directors of the Company at their offices in North Carolina. I have reviewed the information published by the Company with the Officers and Directors.

The Company's transfer agent is Colonial Stock Transfer Company, an SEC registered transfer agent. I have confirmed the number of outstanding shares for the Company as set forth in the Company's financial statements by obtaining a shareholder list from Colonial Stock Transfer Company as of September 30, 2013.

The Company's unaudited financial statements were prepared by Richard G. Craft. Mr. Craft began his accounting career with Deloitte & Touche in 1978. In 1980 he was licensed as a Certified Public Accountant in North Carolina. He became a Certified Management Accountant in 1986, a Certified Public Accountant in Florida in 1988 and received a Certificate in Educational Achievement in Financial Management obtained from AICPA in 1992. While at WSMP, Inc. a publically traded company, Mr. Craft held numerous financial accounting and reporting titles including, Internal Audit Manager, Corporate Reporting Manager, Vice President (Accounting and Finance), Assistant Secretary, Senior Vice President (Accounting and Finance), and Chief Accounting Officer.

After limited examination, and such other investigation as I deemed necessary, I am of the opinion that:

- Adequate current public information is available concerning the Company within the meaning of Rule 144(c)(2) under the Securities Act, and the information includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the Securities pursuant to Rule 15c2-11 under the Securities Exchange Act of 1934, as amended.
- To the best of my knowledge neither the Company, any 5% holder of the Company's common stock, nor counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.
