On September 30, 2015, the Company entered into a business combination agreement (the "Agreement") among the Company's sole shareholder, Golden Arrow Resources Corporation ("Golden Arrow"), Silver Standard Resources Inc. ("Silver Standard"), Mina Pirquitas, LLC ("MP LLC") and Valle Del Cura S.A. wherein the Company proposes, subject to, among other things, Silver Standard exercising an Election to Proceed (as defined in the Agreement), to give effect to a plan of arrangement (the "Arrangement") pursuant to which each shareholder of Golden Arrow will receive one common share in the capital of the Company (a "New GAR Share") in exchange for each common share of Golden Arrow (the "GAR Shares") held. Pursuant to the Arrangement, the GAR Shares (and thereby Golden Arrow's interest in the Chinchillas property, a mineral property located in the Jujuy province of Argentina) will be transferred to a joint venture company ("JVco"), which, subject to the terms of the Agreement, will initially be owned 75% by Silver Standard and 25% by the Company.

Under the terms of the Agreement, JVco shall also acquire from Silver Standard all of the issued and outstanding securities of MP LLC which indirectly holds title to the Pirquitas mine (also located in the Jujuy province of Argentina), with the effect that upon completion of the Arrangement, existing shareholders of Golden Arrow will, as holders of New GAR shares, have exposure through the Company's 25% interest in JVCo to Silver Standard's Pirquitas mine and Golden Arrow's Chinchillas property.

In consideration for granting Silver Standard the rights to conduct an 18-month period of pre-development activities at Chinchillas ("the Preliminary Period"), Silver Standard paid Golden Arrow \$2,000,000 on completion of certain milestones as detailed below:

500,000	Twelve month anniversary of shareholder approval or date of election to proceed with the joint venture
\$2,000,000	

All of the payments were received by Golden Arrow during the Preliminary Period.

The Company will be paid an amount equal to 25% of the Pirquitas mine's cash equivalent earnings, if any, during the Preliminary Period, less certain expenditures for exploration (including pre-development expenditures), capital investment and closure costs incurred during the Preliminary Period, based on a pre-defined formula, payable on closing of the Arrangement.
