FACTS

11.

Plaintiffs are the founders of and officers of a publicly traded robotics company named GeckoSystems International Corporation ("GeckoSystems").

12.

Several years ago, GeckoSystems hired Neil Wallace to assist with legal work.

13.

Wallace performed poorly, and his employment was terminated.

14.

Wallace subsequently filed a lawsuit in Georgia, seeking damages from GeckoSystems. Wallace refused to comply with a Court Order to apply for *pro hac vice* since he is an attorney. The case of later dismissed.

15.

Next, Wallace filed two lawsuits in the state of Delaware where GeckoSystems was incorporated at the time. One was for himself, and the other for his parents, Harold Wallace and

Bette Wallace. At the time, Spencer was unable to hire a lawyer, and two default judgments were obtained, one for Wallace and the other for Harold Wallace and Bette Wallace.

16.

Wallace used his parents' judgment to levy against a block of stock owned by Martin Spencer.

17.

Pursuant to the levy, the Estate of Harold Wallace and Bette Wallace were able to obtain title to Spencer's stock for significantly less than market value. They paid \$1,000 for his stock valued at **\$1,116,151** at the time of the sale which was significant unjust enrichment for the Wallace family.

18.

Wallace's default judgment is presently being litigated in Delaware.

19.

Thereafter, Wallace inexplicably became obsessed with causing damage to Plaintiffs and manipulating the value of GeckoSystems stock.

20.

This obsession was manifested in numerous frivolous lawsuits and warrant applications filed by Wallace in hundreds, if not thousands, of defamatory internet postings by Wallace, by attempts to manipulate and to drive down the price of GeckoSystems stock and by other acts of intimidation.

21.

By way of example only, these false statements which were publicly made on stock message boards:

- (a) On June 9, 2015, Defendant Wallace, using the screen name *rms_savior* falsely accused Plaintiff of lying in Court filings;
- (b) On June 4, 2015, Defendant Wallace, using the screen name *navy12272325* falsely accused Plaintiff of lying to the judge in a case pending in Delaware;
- (c) On May 26, 2015, Defendant Wallace, using the screen name *moron_martie* falsely stated that "Despite no sales, revenues or profits and negative ROI, [Mr. Spencer] awarded himself and [Mrs. Spencer] 120 million shares for 'services rendered."
- (d) On April 6, 2015, Defendant Wallace, using the screen name *moron martin* falsely stated that "[Mr. Spencer] has six kids from four different women."
- (e) On February 25, 2015, Defendant Wallace, using the screen name *moron martin* falsely stated that "[Mr. Spencer] today confessed to animal cruelty . . . Since [Mr. Spencer] is a criminal wanted in two states, he likely abused small animals as a child."
- (f) On January 14, 2014, Defendant Wallace, using the screen name *moron martin* falsely accused Plaintiffs of involvement in a multimillion dollar embezzlement scheme and suggested that they had improperly taken money from a relative.

(g) On January 15, 2015, Defendant Wallace, using the screen name *robotgeek62*, falsely accused Plaintiffs of participating in an embezzlement scheme.

(h) On August 12, 2013, Defendant Wallace, using the screen name *robotgeek62* falsely stated that Mr. Spencer had undergone a sex change operation; and

(i) On July 12, 2013, Defendant Wallace, using the screen name *robotgeek62* falsely accused Spencer of "being raised by an anti-semitic and a homophobe..."

22.

These are only a few of the myriad examples of false and defamatory statements made by Wallace. Similar false statements have been made by Sims.

23.

Additionally, Defendant Wallace has physically stalked Plaintiffs and, on one occasion, left a decapitated rabbit at Plaintiffs' residence. A 30 day Protective Order was entered on Plaintiffs' behalf as a result of Defendant Wallace's conduct. However, due to jurisdictional matters the judge was unable to grant a permanent Protective Order.

24.

Additionally, Neil Wallace conspired with Sims to file a frivolous and malicious lawsuit in Georgia, falsely accusing Plaintiffs of embezzling funds from an elderly family member.

25.

This lawsuit was dismissed, and Sims was sanctioned in the amount of \$10,000.00.

Plaintiffs have been significantly damaged as a direct and proximate result of the foregoing acts by Wallace.
