**GLOBAL RECYCLE ENERGY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**March 31, 2016**  
**(Unaudited)**

**NOTE 1 - ORGANIZATION AND OPERATIONS**

Global Recycle Energy, Inc. was incorporated in the State of Nevada on March 7, 2008.

On June 29, 2015, the Company entered into a License Agreement with Universal Vending, Inc. (the "Licensor"). Under the terms of the agreement, the Company acquired an oil lease known as The Pillow, Jackson, Cobb Lease from the Licensor. The Company agreed to pay a fee of Five Hundred Thousand (500,000) shares of its restricted Common Stock.

**NOTE 2 – GOING CONCERN**

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern, which contemplates continuity of operations, realization of assets, and liquidation of liabilities in the normal course of business.

As reflected in the accompanying financial statements, the Company had an accumulated deficit at March 31, 2016 of \$157,988. This factor among others raise substantial doubt about the Company's ability to continue as a going concern.

While the Company is attempting to commence operations and generate revenues, the Company's cash position may not be significant enough to support the Company's daily operations. Management intends to raise additional funds by way of a public or private offering. Management believes that the actions presently being taken to further implement its business plan and generate revenues provide the opportunity for the Company to continue as a going concern. While the Company believes in the viability of its strategy to generate revenues and in its ability to raise additional funds, there can be no assurances to that effect. The ability of the Company to continue as a going concern is dependent upon the Company's ability to further implement its business plan and generate revenues.

The financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

**NOTE 3 – STOCKHOLDERS' DEFICIT**

*Shares authorized*

The Company is authorized to issue 250,000,000 shares of common stock with a par value of \$0.001 per share.

*Common Stock Issued*

During the twelve months ended June 30, 2015, the Company issued 500,000 shares of common stock in connection with acquisition of oil lease.

#### **NOTE 4 – SUBSEQUENT EVENTS**

The Company has evaluated all events that occurred after the balance sheet date through the date when the financial statements were issued to determine if they must be reported. The Management of the Company determined that there were no reportable subsequent events to be disclosed.
