GRILLIT, INC.
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 — ORGANIZATION AND MANAGEMENT'S PLANS

Organization

GRILLiT, Inc. was incorporated in the State of Nevada on May 21, 2002. The Company acquired 100% of the membership interests of Healthy & Tasty Ventures, LLC on April 25, 2013. Taking inspiration from the successful Chipotle model, the Company opened its first location in South Florida in 2011. The Company is pursuing its operating plan to establish master franchisees and franchise store locations in strategic geographic areas of the United States.

Effective January 1, 2016, the Company closed its operations at the remaining retail outlet due to unprofitable operations.

Effective February 17, 2016, beneficial ownership of Marquette Acquisitions and Investments, LLC, was transferred to Opus Properties Corp. This transfer of controlling interest in GRILLiT, Inc. will result in the acquisition of several new retail operations (See Note 7).

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements and related notes have been prepared by the principals of Healthy & Tasty Ventures, LLC, which was acquired by the Company on April 25, 2013. The financials of the parent company reflect negligible activity over the periods covered by the financial statements and therefore, except for the capital structure, the financials of the subsidiary, Healthy & Tasty Ventures, LLC, represent virtually all of the activity during the periods.

Development Stage Company

The Company is a development stage company as defined by the FASB Accounting Standards Code ("ASC") 915-10 "Development Stage Entities". The Company is now devoting substantially all of its efforts on establishing the rollout of its "GRILLiT" brand restaurants.

Principles of Consolidation

GRILLiT, Inc.'s consolidated financial statements include the accounts of GRILLiT, Inc. and its wholly and majority owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Fiscal year end

The Company elected December 31 as its fiscal year ending date.

Revenue recognition

The Company will follow ASC 605-10 "Revenue Recognition" to recognize revenue on an accrued basis as operations permit itself as a manufacturer in the pharmaceuticals industry. The Company shall recognize revenue when it is earned and/or when it is assured collection of receivables are when all of the following criteria are met: (i) persuasive evidence of an arrangement exists, (ii) the product has been shipped and/or the services have been rendered, assured payment for its inventory held for sale is sold.

Income taxes

The Company accounts for income taxes pursuant to the asset and liability method under SFAS No. 109, Accounting for Income Taxes, which requires deferred income tax assets and liabilities to be computed annually for temporary differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted laws and rates applicable to the periods in which the temporary differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amounts expected to be realized.

NOTE 3 — MARKETABLE SECURITIES

As part of the agreement to transfer control of the company, management transferred marketable securities into the Company's name. The investment has been recorded at its' cost basis at the date of transfer of \$900,000. In accordance with Generally Accepted Accounting Principles, (GAAP) marketable securities are reflected on the Balance Sheet at the lower of cost or market. As of the Balance Sheet date, the trading price of the stock had increased, resulting in an unrecorded gain of \$300,000. In accordance with GAAP the gain is not recognized for reporting purposes.

NOTE 4 — STOCKHOLDERS' EQUITY

Common Stock

As of April 25, 2013 GRILLiT executed a securities purchase agreement that resulted in the Company's ownership of 100% of Healthy & Tasty Ventures, LLC ("HTV"). The Company issued a total of 6,500,000 shares of restricted common stock to the holders of the membership interests of HTV in exchange for all such membership interests of HTV. The transaction resulted in a business combination and a change of control within the Company.

On September 4, 2013, the Company effectuated a 5 for 1 common stock dividend to the Company's shareholders. All shareholders of GRILLiT owning common shares on the record date of August 7, 2013 received four (4) additional shares of GRILLiT restricted common stock for every share (restricted or free trading) held by such shareholder. The dividend common shares are "restricted" as defined in the Securities Act of 1933. Rule 144 allows for the public resale of restricted securities only if certain holding period and other conditions are satisfied. The start date for the holding period for the dividend shares is the record date of August 7, 2013, and the holding period is one year.
