There are no restrictions on Tykhe Corporation's stock other than applicable SEC rules, including, by way of example, SEC Rule 144.

Tykhe Corporation has not had any trading suspension orders issued by the SEC in the past 12 months.

Tykhe Corporation has not had any stock split, stock dividend, recapitalization, merger, spin-off, or reorganization either currently anticipated or that occurred within the past 12 months:

Tykhe Corporation acquired control of Crowd Connex Corporation on June 30, 2014

Tykhe Corporation acquired control of I-Tap, Inc. on September 13, 2014. This deal was later scrapped because of differences between the management of I-Tap and that of Tykhe Corporation. Accounting activity will not be included after October 31, 2014.

Tykhe Corporation entered into an agreement with Gear International of Washington, Inc. on October 20, 2014. The contract is part of a financing transaction for fixed payments from two different licensed medicinal marijuana farming operations. This deal was later canceled after the Company was made aware that participants in the fund raising process stole the proceeds raised. Tykhe Corporation did not and will not issue any shares related to this transaction.

Tykhe Corporation acquired control of Vidie Corporation on November 30, 2016. Vidie is a proprietary mobile app video-sharing platform that has soft launched in China during May of 2016 (can be downloaded at the Apple Store). There is another app on the Apple Store named Vidie so please download the version with the Chinese characters in the description. The app for the Chinese market will initially run on iOS. The company has not decided on release dates for Android devices but will be releasing an app for Android in the near future. Tykhe Corporation will be raising \$2,000,000 for Vidie Corporation by purchasing its debt with stock. The money is necessary to finish the Android app and for the official launch of Vidie in the Chinese market. Alaric Corporation will receive a 25% stake in Vidie for the money raised. The value of similar tech businesses at this stage of development have been between \$30 (Vine) and \$82 (Periscope) million dollars. We believe Vidie Corporation may have additional value because it is in China and will also launch in other countries in the future. Please go to the www.alariccorporation.com for more information.
