HEALTHY COFFEE INTERNATIONAL, INC.
(A Development Stage Company)
NOTES TO FINANCIAL STATEMENTS
For the Period Ended June 30, 2014

NOTE 1 - ORGANIZATION AND DEVELOPMENT OF THE BUSINESS

The company was originally incorporated in the State of Colorado as Relevant Links, Inc. In September 14, 2002, it became Direct Response Financial Services, Inc. and then Sleeping with the Enemy, Inc. in July 11, 2007.

Healthy Coffee International, Inc., category creator of Healthy Coffee, is focused on bringing health to the world's largest and most popular drink, coffee. The company's proprietary formulas combine the health benefits of Ginseng, Reishi Mushroom, and other top quality ingredients with the world's finest coffee beans to create a line of deliciously healthy instant gourmet coffee drinks. Healthy Coffee is well positioned in the market place at the intersection of three mega-billion dollar industries: coffee, wellness and energy drinks, and has quickly established offices in 11 countries and distributors in 29 other countries through its marketing subsidiary HEALTHY COFFEE GLOBAL MARKETING, INC. (www.HealthyCoffee.com) which uses a simple and unique Internet-driven international business model that allows the average person to own and operate a local, national, or international coffee distribution or coffee house business with very little capital investment or overhead.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The Company prepares financial statements in conformity with generally accepted accounting principles that require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with maturities of one year or less to be cash equivalents.

Property and Equipment

Property and equipment are stated at cost. Major repairs and betterments are capitalized and normal maintenance and repairs are charged to expense as incurred. Depreciation is computed by the straight-line method over the estimated useful lives of the related assets as follows:

Upon retirement or sale of an asset, the cost and accumulated depreciation are removed from the accounts and any gain or loss is reflected in operations.

The amendment was filed with the Office of the Secretary of the State of Colorado and became effective on April 30, 2010. The effect of this amendment has been reflected in the accompanying financial statements.

On December 31, 2010, the Board of Directors approved the amendment to the Articles of Incorporation approving the aggregate number of shares of all classes of stock, which the Corporation shall have authority to issue is One Billion (1,000,000,000) shares with a par value of \$.001 per share, of which, Eight Hundred Million (800,000,000) shares shall be designated \$0.001 par value Common Stock, and Two Hundred Million (200,000,000) shares shall be designated \$0.001 par value Series A Preferred.

On February 18, 2013, the Board of Directors approved the amendment to the Articles of Incorporation approving the aggregate number of shares of all classes of stock, which the Corporation shall have authority to issue is Five Billion (5,000,000,000) shares of which Four Billion Eight Hundred Nine Million, Nine Hundred Ninety Nine Thousand, and Nine Hundred Ninety (4,809,999,990) shares shall be designated \$0.00001 par value Common Stock, One Hundred Million (100,000,000) shares shall be designated \$0.001 par value Series A Preferred, Ninety Million (90,000,000) shares shall be designated \$0.0001 par value Series B Preferred, and Ten (10) shares shall be designated \$0.0001 par value Series C Preferred.

On October 17, 2013, the board of Directors approved the issuance of Fifty Million (50,000,000) Preferred D Shares plus Six Million (6,000,000) common shares in exchange for two US Federal Reserve Bearer Bond, each valued at \$140,000,000. The value has been verified and appraised by Biz Value Ltd, NY.

NOTE 5 - EARNINGS (LOSS) PER SHARE

SFAS No.128, "Earnings Per Share," requires the disclosure of "basic" and "diluted earnings (loss) per share. Basic earnings (loss) per share are computed by dividing net income (loss) by the weighted average number of common shares outstanding during each period. Diluted earnings (loss) per share is similar to basic earnings (loss) per share except that the weighted average number of common shares outstanding is increased to reflect the dilutive effect of potential common shares, such as those issuable upon the exercise of stock options or warrants, and the conversion of preferred stock, as if they have been issued.
