FORWARD-LOOKING STATEMENTS

This disclosure statement contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. In some cases you can identify forward-looking statements by terms such as “may”, “intend”, “will”, “could”, “would”, “expects”, “believe”, “estimate”, or the negative of these terms, and similar expressions intended to identify forward-looking statements.

These forward-looking statements reflect our current views with respect to future events and are based on assumptions and are subject to risks and uncertainties. Also, these forward-looking statements present our estimates and assumptions only as of the date of this disclosure statement. Except for our ongoing obligation to disclose material information as required by federal securities laws, we do not intend to update you concerning any future revisions to any forward-looking statements to reflect events or circumstances occurring after the date of this disclosure statement.

Actual results in the future could differ materially and adversely from those described in the forward-looking statements as a result of various important factors, including the substantial investment of capital required to produce and market films and television series, increased costs for producing and marketing feature films, budget overruns, limitations imposed by our credit facilities, unpredictability of the commercial success of our motion pictures and television programming, the cost of defending our intellectual property, difficulties in integrating acquired businesses, and technological changes and other trends affecting the entertainment industry.

ITEM 1 – FORM 10 REGISTRATION – As of Tuesday, December 9, 2014, comments and corrections to the Form 10 Registration Statement were completed by Company managers, including the additional disclosure items recommended by outside counsel last week. Due to the existence of a previous filing (*Aug. 15, 2005*) of a Form 15-12g with the Securities & Exchange Commission (*Certification and Notice of Termination of Registration*), the Company's C.I.K. and S.E.C. Filer Number have been granted only limited access to make voluntary filings as an unregistered security onto the S.E.C. Edgar database (*i.e., Form 8, Form 4 and 10Q reports*). Accordingly, the submission via MacReportMedia of the Company's Form 10 Registration under the Company's restricted C.I.K. and S.E.C. Filer Number will require manual approval before publication of this filing will appear onto Edgar. Once the Form 10 is accepted for publication onto Edgar, then all customary review procedures as applicable for new registrations filing Form 10 Registrations will apply. The manual step required to allow the HHSE Form 10 Registration to be published onto Edgar is not the S.E.C. review process for content and completeness of the filing. It is, functionally, an override of the filing restrictions presently imposed to the C.I.K. and S.E.C. Filer Numbers as a result of the 2005 Form 15 Termination.

In order to "re-register" the HHSE shares which were previously terminated from registration under the 2005 Form 15-12g filing, the Company must file using the existing C.I.K. and S.E.C. Filer Number. If the Company had no prior registration history or if the Company were filing as a new offering under newly issued C.I.K. and S.E.C. filing numbers, the publication of the Form 10 onto Edgar would be almost instantaneous after submission via MacReportMedia. Currently approved filings for HHSE, including Form 8s, Form 4s and 10Qs have customarily appeared onto Edgar the same day (*or next business day*) that MacReportMedia has submitted on behalf of the Company. Unapproved filings, such as the Company's previous attempts to submit 10K reports, have resulted in an automated rejection by the S.E.C., with the C.I.K. and S.E.C. Filer Number restricted status noted.

The Company is providing this update to Shareholders in order to address misinformation that has appeared on various stock discussion forums which incorrectly states that any S.E.C. filings submitted on behalf of HHSE will be instantly published onto Edgar. A representative of the S.E.C. Office of the Chief Counsel has represented to HHSE that once the Form 10 is published onto Edgar, and ultimately approved, the Company will no longer be limited in its ability to make any other customary S.E.C. filings.

HHSE Shareholders and the public will be provided updates as to the acceptance status today (*Wed., Dec. 10*) via the Company's blog at: www.HannoverHouseMovies.Blogspot.com
