6) Describe the Issuer's Business, Products and Services

The Company's principal business activity is a supplier of eco-friendly lighting products in the Western Hemisphere. Hi Score offers its customers the fiscal and ecological practicality of utilizing safe, efficient, solid state green lighting as well as conventional fluorescent and incandescent bulbs. The Company offers the widest selection of high quality, long lasting Light Emitting Diode ("LED") lighting products that can replace existing incandescent, fluorescent and halogen bulbs as well as compact fluorescent lights. Additionally the Company offers compact fluorescent and halogen lighting under its branded labels. Hi Score sells its products directly to distributors, businesses and municipalities. The sale and distribution of LED specialty light bulbs offer a practical and cost efficient replacement for most incandescent, metal halide, high pressure sodium and fluorescent light bulbs.

In December 2010, the Company acquired all of the outstanding capital stock of DMD Lighting & Energy Control Systems, Inc. ("DMD").

Further, in January 2012, the Company sold its DMD subsidiary for a reduction in debt approximating \$150,000 in order to further enhance its business plan. Terms of the sale, among other things, provide that the Company is entitled to 20% of the net profit of DMD (as defined in the agreement) from the buyer.

In August 2012, the Company resolved to explore acquisitions of other profitable private companies in the energy saving lighting industry as well as in the medical solutions, SEO and energy drinks industries.
