Forward Looking Statements

Some of the statements contained in this information statement that are not historical facts are "forward-looking statements" which can be identified by the use of terminology such as "estimates," "projects," "plans," "believes," "expects," "anticipates," "intends," or the negative or other variations, or by discussions of strategy that involve risks and uncertainties. We urge you to be cautious of the forward-looking statements, that such statements, which are contained in this Quarterly Report, reflect our current beliefs with respect to future events and involve known and unknown risks, uncertainties and other factors affecting our operations, market growth, services, products and licenses. No assurances can be given regarding the achievement of future results, as actual results may differ materially as a result of the risks we face, and actual events may differ from the assumptions underlying the statements that have been made regarding anticipated events. Factors that may cause actual results, our performance or achievements, or industry results, to differ materially from those contemplated by such forward-looking statements include without limitation:

- Our ability to attract and retain management, and to integrate and maintain technical information and management information systems;

- Our ability to raise capital when needed and on acceptable terms and conditions;
- The intensity of competition; and
- General economic conditions.

All written and oral forward-looking statements made in connection with this Quarterly Report that are attributable to us or persons acting on our behalf are expressly qualified in their entirety by these cautionary statements. Given the uncertainties that surround such statements, you are cautioned not to place undue reliance on such forward-looking statements.

Results of Operations

During the three months ended March 31, 2012, the Company had $90,027 revenues compared to $59,173 for the three months ended March 31, 2011.

During the quarter ended March 31, 2012, net losses totaled $86,294 compared to net losses for the quarter ended March 31, 2011 of $207,665. Liquidity and Capital Resources

As of March 31, 2012 the Company had total assets of $397,916. At March 31, 2012 the Company had total liabilities of $703,322. The Company had positive working capital at March 31, 2012 of $24,241 but had an equity deficit of $305,406. Because of this deficit, the Company's ability to continue to operate and its future remain in question as a going concern unless additional capital is contributed or until such time as it generates revenues and become cash flow positive.

Since inception, the Company has financed its activities solely from the private sales of its securities and the incurrence of debt. During the next twelve months, the Company's plans to expand its business by educating consumers on how to save energy and money by utilizing safe, efficient, solid state lighting. The Company intends on branding its own line of consumer friendly lightbulbs, and developing a line of street lights. The Company plans to finance it growth through traditional bank financing sources as well as additional potential debt and equity private placements. There can be no assurance that financing sufficient to enable us to expand and grow our business will be available to us in the future. The failure to obtain future financing or to produce levels of revenue to meet our financial needs could result in our inability to operate, grow and expand our business.
