NOTES TO CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS THREE MONTHS ENDED AUGUST 31, 2014 AND 2013 (Expressed in Canadian dollars) (Unaudited)

1. NATURE OF OPERATIONS

Integra Gold Corp. (the "Company") was incorporated under the laws of the Province of British Columbia, Canada. The Company is a public company listed on the TSX Venture Exchange (the "TSX.V") trading under the symbol "ICG." The address of the Company's corporate office and principal place of business is Suite 2270, 1055 West Georgia Street, Vancouver, British Columbia, V6E 3P3.

The Company is an exploration stage resource company engaged in the acquisition and exploration of mineral properties and has not yet determined whether the properties contain ore reserves that are economically recoverable. The Company currently has no revenues from mineral producing operations. The operations of the Company have been funded by the issuance of common shares.

The Company currently holds a number of properties in Canada: the Company's flagship Lamaque South Gold Project ("Lamaque South, previously referred to as "Lamaque) in Val-d'Or, Québec, properties within the Abitibi Greenstone Belt in Québec and Ontario, and one property in British Columbia.

2. BASIS OF PRESENTATION

Statement of Compliance

These condensed interim financial statements of the Company for the three month period ending August 31, 2014 have been prepared in accordance with International Financial Reporting Standards ("IFRS"), specifically, IAS 34 Interim Financial Reporting, as issued by the International Accounting Standards Board ("IASB") and Interpretations of the International Financial Reporting Interpretations Committee ("IFRIC").

These condensed interim financial statements should be read in conjunction with the Company's May 31, 2014 audited annual financial statements.

The significant accounting policies applied in these financial statements are based on the IFRS issued and outstanding policies as of October 30, 2014, the date the Board of Directors approved the financial statements.

3. AVAILABLE-FOR-SALE INVESTMENTS

Available-for-sale investments consist of an investment in the common shares of a publicly traded company on the Toronto Stock Exchange and the fair value of the investment has been determined directly by reference to published market price quotations.

The cost and fair value of the Company's investment in the common shares of this TSX listed Company are as follows:

7. SHARE CAPITAL (Continued)

c) Warrants (Continued)

Period ended August 31, 2014:

On June 27, 2014, the Company granted 2,645,568 compensation warrants to brokers in connection with its June 2014 private placement. As a result, share issue costs and share-based payments reserves were increased by \$229,000. The compensation warrants were measured using the Black-Scholes Model. The fair value of the compensation warrants was estimated on the issue date with the following assumptions: i) exercise price per share of \$0.26; ii) expected share price volatility 75.43%; iii) risk free interest rate of 1.10%; iv) expected life of 2 years; v) forfeiture rate of 0%; and vi) no dividend yield.

d) Stock Options

The Company has adopted an incentive stock option plan (the "Plan"). The essential elements of the Plan provide that the aggregate number of shares of the Company exercisable pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding shares at the date of the grant. Options granted under the Plan may have a maximum term of ten years. The exercise price of options granted under the Plan will not be less than the discounted market price of the shares (defined as the last closing market price of the Company's shares immediately preceding the grant date, less the maximum discount permitted by TSX-V policy), or such other price as may be agreed to by the Company and accepted by the TSX-V. Options vest on terms determined by the directors and may be vested immediately on the grant date. Stock options granted to consultants are subject to minimum vesting restrictions such that one-quarter of the option shall vest on each of the grant date and three, six and twelve months thereafter.

A summary of the changes in stock options as at August 31, 2014 is as follows:

12. SUBSEQUENT EVENTS

- On September 12, 2014, 1,190,000 warrants expired, unexercised.
- On September 24, 2014, the Company granted 1,300,000 stock options to consultants, officers, and directors of the Company in accordance with its stock option plan. The options are priced at \$0.24 per option, vest 25% every six months, and expire on September 24, 2021.
- On September 30, 2014, 2,030,000 warrants expired, unexercised.
- On October 8, 2014, the Company executed an Asset Purchase Agreement to acquire the Sigma-Lamaque Milling Facility and Mines (the "Property"), adjacent to Integra's Lamaque South project in Val-d'Or, Québec (the "Transaction"). The Property is being acquired from Samson Bélair/Deloitte & Touche Inc. (the "Vendor"), who is acting as court-appointed receiver of the assets of Century Mining Corporation ("Century"). The aggregate purchase price is \$8.05 million, comprised of \$1.8 million in cash and 25 million common shares valued at \$6.25 million (based on share price of \$0.25 per share).

The assets acquired by Integra include a permitted 2,200 tonne per day ("tpd") milling complex and tailings facility adjacent to Lamaque South, as well as permitted underground infrastructure including three portals, mechanical shop, office, dry, equipment, and all mining concessions and mineral claims on the past-producing Property.

Concurrent with the Transaction, the Company also entered into a separate agreement with L. Fournier et Fils Inc. ("Fournier"), a third party construction materials and mining service company, in which Fournier has agreed to pay to Integra \$1,025,000 in cash (received on October 8, 2014) in exchange for access and ownership over the waste rock on the Property as well as a portion of certain mining concessions. Fournier will also assume all of the environmental reclamation obligations associated with their waste rock property, significantly reducing the overall obligation to Integra.

- On October 9, 2014, the Company granted 800,000 stock options to its COO in accordance with its stock option plan. The options are priced at \$0.245 per option, vest 25% every six months, and expire on October 9, 2021.
