Part C Business Information

Item VIII The nature of the issuer's business.

.

A. Business Development

1. Integrated Parking Solutions, Inc is a corporation
2. Incorporated in Nevada.
3. Fiscal year end December 31
4. The issuer has not been in bankruptcy. However, due to the lack of public information and the fact that the State of Nevada revoked its charter the Nevada Business Court awarded custody of the company to Ricochet Trading, Inc.; the current president is Jonathan Landers. Mr. Landers will serve until the next shareholder meeting
5. No material reclassification, merger, consolidation, or purchase or sale of a significant amount of assets have occurred
6. No default of the terms of any note, loan, lease, or other indebtedness or financing arrangement requiring the issuer to make payments have occurred
7. Election of the current officers and directors occurred at the 2011 annual meeting.
8. The current officers and directors and affiliates own 20,000,000 restricted common shares, which is a $\pm 73\%$ increase in the outstanding common shares.
9. There are no past, pending or anticipated stock split, stock dividend, recapitalization, acquisition, spin-off, or reorganizations planned.
10. The company is not a reporting corporation, nor has it been a reporting corporation.
11. There are no known current, past, pending or threatened legal proceedings or administrative actions either by or against the issuer that could have a material effect on the issuer's business, financial condition, or operations and any current, past or pending trading suspensions by a securities. The Company currently has no comprehensive insurance policy and could be exposed to liabilities or other claims for which the Company would have no insurance protection. Any purchaser of the Company's common stock could lose their entire investment should uninsured losses occur.

B. Business of Issuer

1. The company's primary and secondary SIC Codes 5150
2. The company currently conducts business but remains in the development stage
- 3 The Company is not a "Shell Company" within the meaning of Rule 405 of the Securities Act
- 4 The effect of existing or probable governmental regulations on the business cannot be known, but at present they are minimal.
- 5 The time and money spent on R&D is currently negligible

- 6 The issuer primarily a marketing company and as such government rules and regulations have little effect on the company. However, the regulations do impose a large cost of doing business premium on our customers
- 7 The issuer has 3 commission only sales persons.

Item IX The nature of products or services offered

The company's predominant service is consulting with other companies concerning the most cost effective methods of removing contaminants from petroleum products that have degenerated due to age or accidents, and return the product to the original use or secondary markets. The company has no patents, trademarks, licenses, franchises, concessions, royalty agreements or labor contracts. The business is quite competitive and issuer is among the smaller companies in the business.

The company is not dependent on government approval of principal products or services. The sources of available raw material are varied are readily available, however, a lack of capital may prohibit the growth of the company

The Issuer has no history of earnings or profit and there is no assurance that it will operate profitably in the future. The company's successful implementation of its business plan is dependent on a number of factors that should be considered by prospective shareholders.

The company is in the early stages of development and could fail before implementing its business plan and it may incur net losses for the foreseeable future. The company is a relatively new business venture and has no history of earnings or profit. The company has operating losses from the initial implementation of its business and operations, and it faces unforeseen costs, expenses, problems and difficulties that could easily prevent it from becoming profitable.

Item X The nature and extent of the issuer's facilities.

Office equipment (computers, desks etc) comprises the issuer's physical assets; office space is leased on a quarterly basis.

The company has no subsidiaries and owns no property that the book value amounts to 10 percent or more of the total assets of the company.

D Management Structure and Financial Information

Item XI The name of the chief executive officer, members of the board of directors, as well as control persons.

A. Officers and Directors.

Jonathan Landers is President, secretary and treasurer and sole director. Warren Wheeler is Vice President

B. Legal/Disciplinary History

There is not nor has there been any conviction in a criminal proceeding or named as a defendant in a pending criminal proceeding; nor an entry of an order, judgment, or decree by a court of competent jurisdiction that permanently or temporarily enjoined, barred, suspended or otherwise limited such person's involvement in any type of business, securities, commodities, or banking activities; nor a finding or judgment by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission, the Commodity Futures Trading Commission, or a state securities regulator of a violation of federal or state securities or commodities law, which finding or judgment has not been reversed, suspended, or vacated; nor an entry of an order by a self-regulatory organization that permanently or temporarily barred, suspended or otherwise limited such person's involvement in any type of business or securities activities.

C. Disclosure of Family Relationships

There are no family members entitled to or owning company stock. There is no cash owed to any family member; the only known debt is the funds occasionally advanced to the company by a shareholder or officer. Funds advanced to the company are non-interest bearing and, at the option of the advancing party, may be settled with common or preferred stock.

D. Disclosure of Related Party Transactions

There are no related party transactions; Warren Wheeler is the only individual known to own more than 5% of the company's stock

Item XII Financial information for the issuer's most recent fiscal period.

Uploaded as a separate document

Item XIII Similar financial information for such part of the two preceding fiscal years as the issuer or its predecessor has been in existence.

Uploaded as a separate document

The consolidated financial statements are unaudited; however, they contain all normal recurring accruals and adjustments that, in the opinion of management, are necessary to present fairly the Company's consolidated financial position at March 31, 2012

Item XIV Beneficial Owners

Warren Wheeler owns 20,000,000 restricted common shares; \pm 62% of the issued common stock and 5,000,000 shares of preferred stock. The preferred shares have voting rights of 100 votes per share; the preferred shares may vote in whole or in part.

No other individual or entity owns 5% or more of the company's stock.

Item XV The name, address, telephone number, and email address of each of the following outside providers that advise the issuer on matters relating to the operations, business development and disclosure:

1. Investment Banker

None

2. Promoters

None

3. Counsel

None

4. Accountants or Auditor

None - The company financial statements are currently prepared in-house; they are not reviewed or audited

5. Public Relations Consultant(s)

None

6. Investor Relations Consultant

None

Item XVI Management's Discussion and Analysis or Plan of Operation. The company has limited operating capital, and the potential rise of inflation directly affects the company's ability to finance its purchases. The rapid fluctuations of the market price of crude oil may have a material impact on the Company's short term or long-term liquidity. The Company has meager cash reserves and access to a limited line of credit that may not provide the Company with the necessary funds to address its liquidity requirements.

The company has no significant elements of income or loss that do not arise from its continuing operations nor does it have any current material commitments for capital expenditures; the significant fluctuations in the price of oil will have a material impact on the company's business; consequently, from time to time, the company's financial statements may be materially different.

Off-Balance Sheet Arrangements

None

Part E Issuance History

Item XVII List of securities offerings and shares issued for services in the past two years.

Warren Wheeler was issued 20,000,000 common restricted shares from the authorized but un-issued share capital; no other shares were issued over the last 2 years. As of the date of this document, there are no warrants or options to acquire shares,

Part F Exhibits

Item XVIII Material Contracts.

None

Item XIX Articles of Incorporation and Bylaws

Uploaded to this website as a separate documents

Item XX Purchase made by or on behalf of the issuer or any Affiliated Purchaser of shares or other units of any class of the issuer's equity securities.

None

Item XXI Issuer's Certifications

I, Jonathan Landers certify that:

I have reviewed this initial disclosure statement of Integrated Parking Solutions, and based on my knowledge, it does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made are not misleading with respect to the period covered by this disclosure statement, and based on my knowledge, the financial statements, and other financial information included or incorporated by reference herein fairly presents in all material respects the financial condition, results of operations and cash flows of the issuer as of, and for, the periods presented in this disclosure statement.

Date: May 15, 2012

\S\ Jonathan Landers,
President
