6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuer's business operations;

Business Partnership and Development Service Provider:

IJJ Corporation (IJJCorp) is a publicly traded company, stock symbol "IJJP," incorporated in Nevada and has a fiscal year ending October 31st. At IJJ Corp, we provide a Business Partnership Development network service. We view our partnership as a commitment to increase the value of our business relationship by creating opportunities to develop business and expand into new market segments.

Our mission: focused on Public and Private Company decision makers, is to increase awareness of and access to resources designed to ensure the success of our partnerships and growth objectives. As a full service business and management consulting group, we promote the union of companies to achieve their goals with unique structured relationships. IJJ Corp has developed the business tools for companies to match their needs in financing, sales, and business goals as an integrated resource.

The components of our approach: B2B, collaborative relationships, contractor/sub-contractor and mentor relationships are not new. However, the synergy between technology and management consulting as IJJCorp has applied it, is a new and innovative approach.

Our business platform creates various funding, business development, investments, and shared business objectives. In addition, because of economies of scale, we focus on gathering information "globally" and across industries to enhance our approach to increase expansion and to reduce operating cost, while building lasting partnerships for our clients.

B. Date and State (or Jurisdiction) of Incorporation:

IJJ Corporation Disclosure Document
