### **Note 1. Organization, History and Business**

Cache Elite, Inc. ("Cache Elite"), was incorporated as Superior Venture Corp. on April 27, 2010, in the State of Nevada for the purpose of selling wine varietals. On November 9, 2012, Cache Elite entered into an exchange agreement with Ilustrato Pictures Ltd., a British Columbia corporation ("Ilustrato BC"), whereby Cache Elite acquired all of the issued and outstanding common stock of Ilustrato BC. On November 30, 2012, Ilustrato BC transferred all of its assets and liabilities to Ilustrato Pictures Limited, a wholly owned subsidiary in Hong Kong ("Ilustrato HK") and the company name was changed from Superior Venture Corp. to Ilustrato Pictures International, Inc. All assets and liabilities related to Ilustrato HK were subsequently transferred out of Cache Elite.

On February 11, 2016 Barton Hollow, LLC, a Nevada limited liability company, and stockholder of Cache Elite, filed an application for appointment of custodian pursuant to Section 78.347 of the Act in the District Court for Clark County, Nevada. Barton Hollow was subsequently appointed custodian of the Cache Elite by order of the court on April 5, 2016 (the "Order"). In accordance with the provisions of the Order, Barton Hollow thereafter moved to: (a) reinstate the Cache Elite with the State of Nevada; (b) provide for the election of interim officers and directors; and (c) call and hold a stockholder meeting.

On April 1, 2016, Barton Hollow, together with the newly-elected director of the Cache Elite, caused Cache Elite to enter into a Letter of Intent to merge its wholly owned subsidiary with Cache Cabinetry, LLC, an Arizona limited liability company organized on February 6, 2012 for the purpose of designing and selling custom cabinetry and hardware. Pursuant to the Letter of Intent, the parties thereto would endeavor to arrive at, and enter into, a definitive merger agreement providing for the merger. As an inducement to the members of Cache Cabinetry, LLC to enter into the Letter of Intent and thereafter transact, Cache Elite caused to be issued to the members of Cache Cabinetry LLC, 360,000,000 shares of its common stock.

On June 3, 2016 Cache Cabinetry LLC merged with ILUS Acquisition Inc. (a Nevada corporation and wholly owned subsidiary of Cache Elite). The merger is designed as a reverse subsidiary merger pursuant to Section 368(a)(2)(E) of the Internal Revenue Code. Upon closing of the merger, Cache Cabinetry, LLC. was the surviving corporation in its merger with the wholly-owned subsidiary of the Cache Elite, and therefore has become the wholly-owned operating subsidiary of the Cache Elite. On June 15, 2016 the company name was changed from Ilustrato Pictures International, Inc. to Cache Elite Inc. with the State of Nevada and Cache Elite is currently awaiting approval of the name change from the Financial Industry Regulatory Authority.

Cache Elite and its subsidiary Cache Cabinetry LLC are collectively referred to as "the Company" throughout the notes to the consolidated financial statements.

These quarterly financial statements should be read in conjunction with the unaudited December 31, 2015 annual financial statements and the audited December 31, 2014 & December 31, 2013 annual financial statements of Cache Cabinetry LLC.

### **Note 2. Summary of Significant Accounting Policies**

#### **Revenue Recognition**

The Company applies paragraph 605-10-S99-1 of the FASB Accounting Standards Codification for revenue recognition. The Company recognizes revenue when it is realized or realizable and earned. The Company considers revenue realized or realizable and earned when all of the following criteria are met: (i) persuasive evidence of an arrangement exists, (ii) the sales price is fixed or determinable, (iii) collectability is reasonably assured and (iv) goods have been shipped and/or services rendered.

## **(Unaudited)**

### **Accounts Receivable**

Accounts receivable is reported at the customers' outstanding balances, less any allowance for doubtful accounts. Interest is not accrued on overdue accounts receivable.

### **Allowance for Doubtful Accounts**

An allowance for doubtful accounts on accounts receivable is charged to operations in amounts sufficient to maintain the allowance for uncollectible accounts at a level management believes is adequate to cover any probable losses. Management determines the adequacy of the allowance based on historical write-off percentages and information collected from individual customers. Accounts receivable are charged off against the allowance when collectability is determined to be permanently impaired.

### **Stock Based Compensation**

When applicable, the Company will account for stock-based payments to employees in accordance with ASC 718, "Stock Compensation" ("ASC 718"). Stock-based payments to employees include grants of stock, grants of stock options and issuance of warrants that are recognized in the consolidated statement of operations based on their fair values at the date of grant.

The Company accounts for stock-based payments to non-employees in accordance with ASC 505-50, "Equity-Based Payments to Non-Employees." Stock-based payments to non-employees include grants of stock, grants of stock options and issuances of warrants that are recognized in the consolidated statement of operations based on the value of the vested portion of the award over the requisite service period as measured at its then-current fair value as of each financial reporting date.

The Company calculates the fair value of option grants and warrant issuances utilizing the Binomial pricing model. The amount of stock-based compensation recognized during a period is based on the value of the portion of the awards that are ultimately expected to vest. ASC 718 requires forfeitures to be estimated at the time stock options are granted and warrants are issued to employees and non-employees, and revised, if necessary, in subsequent periods if actual forfeitures differ from those estimates. The term "forfeitures" is distinct from "cancellations" or "expirations" and represents only the unvested portion of the surrendered stock option or warrant. The Company estimates forfeiture rates for all unvested awards when calculating the expense for the period. In estimating the forfeiture rate, the Company monitors both stock option and warrant exercises as well as employee termination patterns. The resulting stock-based compensation expense for both employee and non-employee awards is generally recognized on a straight-line basis over the period in which the Company expects to receive the benefit, which is generally the vesting period.

### **Earnings (Loss) per Share**

The Company reports earnings (loss) per share in accordance with ASC Topic 260-10, "Earnings per Share." Basic earnings (loss) per share is computed by dividing income (loss) available to shareholders' by the weighted average number of shares available. Diluted earnings (loss) per share is computed similar to basic earnings (loss) per share except that the denominator is increased to include the number of additional shares that would have been outstanding if the potential shares had been issued and if the additional shares were dilutive. Diluted earnings (loss) per share has not been presented since there are no dilutive securities.

### **Organization and Offering Cost**

The Company has a policy to expense organization and offering cost as incurred.

### **Cash and Cash Equivalents**

For purpose of the statements of cash flows, the Company considers cash and cash equivalents to include all stable, highly liquid investments with maturities of three months or less.

## (Unaudited)

**Note 11. Going Concern** The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. Currently, the Company has incurred operating losses, and as of June 30, 2017 the Company also had a working capital deficit and an accumulated deficit. These factors raise substantial doubt about the Company's ability to continue as a going concern. Management believes that the Company's capital requirements will depend on many factors including the success of the Company's development efforts and its efforts to raise capital. Management also believes the Company needs to raise additional capital for working capital purposes. There is no assurance that such financing will be available in the future. The conditions described above raise substantial doubt about our ability to continue as a going concern.
