Greene Concepts is an ink technology manufacturing and distribution company that manufactures and distributes a line of high quality consumer focused inkjet refill kits through our subsidiaries InkWay USA and AccuBrite, Inc., allowing customers to reduce their carbon footprints by encouraging them not to discard cartridges into polluting landfills.

INKWAY USA is a consumer direct marketing ink and toner technology Distribution Company which markets and sells over 1000 advanced and exceptional proprietary ink and toner "Do It Yourself" Refilling Systems and other products for all inkjet and toner cartridges. The most expensive liquid in the world is ink and consumer resellers are in the perfect place to take advantage of this. INKWAY USA's model is consumer direct marketing and our design ensures longterm growth and stability, Marketing, sales, and fulfillment for retail products are coordinated at Greene Concepts Corporate offices in Fresno, California. Consumers and businesses save thousands of dollars annually with our products. INKWAY USA will also compete in the global market place by marketing and signing distributors in Europe, North America, and Asia. INKWAY USA is now ready to grow exponentially with their soon-to-be released proprietary Synergy Distributor Program (SDP) and take a large stake in the over \$70 billion per year ink and toner industry through an unparalleled, innovative marketing strategy that utilizes virtually no competition - all while offering unmatched cost savings and product quality for individual ink and toner consumers and large businesses alike.

In November 2015, the Company announced plans to establish a technology-driven nationwide network of its InkWay USA Refill Stations(TM), by leveraging its existing reseller infrastructure and industry expertise in refilling and remanufacturing Inkjet Printer Cartridges.

The Company's November 12, 2015, press release states:

"Greene Concepts Focuses on "Uber of Ink" Moniker with New "INK-X" Website

InkWay USA Refill Stations(TM) Network to Offer Local, Convenient, Affordable Ink Services

NEW YORK, NY / ACCESSWIRE / November 12, 2015 / Greene Concepts, Inc. (PINKSHEET: INKW), today announced the launch of its new INK-X.com(TM) website through which it intends to establish an engaged, technology-driven nationwide network of its InkWay USA Refill Stations(TM), by leveraging its existing reseller infrastructure and industry expertise in refilling and remanufacturing Inkjet Printer Cartridges.

"We have all watched Uber revolutionize a dated industry that had remained unchallenged and unchanged for decades, by deploying a disruptive technology, an efficient internet platform, to change forever the way people hire and share car rides," said Greene Concepts CEO Lenny "Inkman"

Greene. "Our company firmly believes that INK-X.com(TM) can forever revolutionize the way individuals, businesses and organizations replace and refill their Inkjet Printer Cartridges," Mr. Greene added.

The INK-X.com(TM) website design also facilitates growth of customers, providing simple Zip Code search functionality as a means of connecting customers to their local InkWay USA Refill Stations (TM). The customer-friendly functionality eliminates the need for trips to out-of-the-way Staples, Office Depot or other Big Box Store locations.

Mr. Greene, in commenting on the InkWay USA(TM) business opportunity, stated, "According to Lyra Research, Photizo and Smithers Pira Research, there are 30 Inkjet cartridges purchased every second worldwide and two printers in the average household, so there is, without question, a current need to link customers seeking money-saving Inkjet cartridge refills and remanufactured cartridges to their nearest InkWay USA Refill Station(TM)." Mr. Greene also stated that InkWay USA(TM) offers a savings of 66% when reusing and refilling empty Inkjet cartridges and savings of 50% on remanufactured cartridges, with all InkWay USA(TM) products and services being 100% guaranteed for quality and performance.

Following the Company's November 12, 2015, announcement, the Company and Greenway Design Group, Inc. announced the launch of the Company's new InkWayUSA.com website, designed to facilitate the anticipated growth of the Company's InkWay USA Refill Stations business.

Greenway Design Group's November 16, 2015, press release states, in pertinent part:

"Greenway Design Group Designs, Delivers INK-X.COM to Greene Concepts, Inc.

PHOENIX, AZ / ACCESSWIRE / November 16, 2015 / Greenway Design Group, Inc. (OTC Pink: GDGI), announced today that it has delivered the website INK-X.com to Greene Concepts, Inc. (OTC Pink: INKW) in a revenue sharing deal.

Greenway Design Group CEO Tom Gregory said, "The INK-X app leverages Greene Concepts reseller infrastructure and expertise to gain share of the multi-billion dollar ink cartridge industry through its introduction, roll out and mapping of the locations of their new InkWay USA Refill Stations(TM). These refill stations offer local, convenient inkjet refills and remanufactured cartridge sales."

Gregory continued, "We are excited to have had this opportunity. Greenway Design Group will earn a percentage of all initial and future revenue which initiate through the INK-X.com website."

"In addition the Greene Concepts deal, we are going to continue to seek out other shared-revenue opportunities that leverage our trademark, intellectual property and our Daily Deal and Couponing platform technologies as well as continue to develop breakout internet brands."

Greene Concepts CEO Lenny Greene said, "InkWay USA is, always has been and always will be an organization of entrepreneurs and a place to save businesses, organizations and individuals money on all of their ink needs. Now by combining our InkWay USA Refill Stations(TM) with our new INK-X.com website, we give our partners an opportunity to earn money, drive traffic to their places of business and yes, save others time, money and gas with InkWay USA products and services."

For more information about the \$199.00 InkWay USA Refill Station(TM) opportunity, please visit <http://ink-x.com/become-a-refill-station>."

In addition, the Company's subsidiary, AccuBrite, Inc., is an ink technology, manufacturing, and distribution company. AccuBrite, Inc. has developed several "Do It Yourself Ink Cartridge Refilling Systems" for HP, Lexmark, and Canon and Epson inkjet cartridges. All refilling tools, accessories, filling stations and an interactive CD-ROM instruction manual are included with our kits. AccuBrite Inc. manufactures and distributes a line of 25 high quality consumer focused inkjet refill kits. Our product line has grown to include over 750 products in the inkjet and laser printer industry.

Each of our products is designed around the simple concept that crisp, clear, clean, long lasting documents and images should be easy, affordable and available to everyone with an inkjet printer. Consumers can now save thousands of dollars annually without replacing their inkjet cartridges by using AccuBrite, Inc.'s refill kits.

"FreeInk4LifeTM" is a complete "no mess" inkjet refilling system. Pull out your inkjet cartridge; refill it with ink, and put it back into your printer to save a lot of money along the way! This refill kit gives you over \$500.00 in value of inkjet cartridge refills. Each kit is easy to use and saves hundreds of dollars compared to the purchase of new inkjet cartridges. Five easy to use refill stations are compatible with almost all the leading manufacturer cartridges.

Results of Operations for the Year Ended July 31, 2015 and 2014

Revenue, Cost of Goods Sold, and Gross Profit.

Our revenue, cost of goods sold, and gross profit for the period ended July 31, 2015 & 2014 were as follows:

	<u>2015</u>	<u>2014</u>
Revenue	\$78,833	\$109,814
Cost of Goods Sold	25,287	31,968
<i>Gross Profit</i>	<u>\$53,546</u>	<u>\$ 77,846</u>

Our revenue of \$78,833 for the period ended July. 31, 2015 has decreased over the same period in 2014. This is due to a shifted focus in our subsidiary divisions which is poised to lead the Company to higher sales through Consumer Direct Marketing as we increased efforts toward completion of the InkWay USA online platform. We expect our revenues to increase as we sell more products and continue with our sales plan to make our product available to a wider audience through infomercials, direct selling on television, our new direct marketing division, as well as continued catalogs orders.

In the period ended July 31, 2015, our cost of goods sold represented 32.07% of total revenue compared to the period ended July 31, 2014, in which the cost of goods sold represented 29.1% of our total revenue. Normally, we expect our cost of goods sold to increase while maintaining or reducing the proportion in which the cost of goods sold represents of the revenue.

These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Nature of Operations

Greene Concepts, Inc. is headquartered in Clovis, California and has been in service for fifty-eight years. The Company manufactures and distributes a line of 25 high quality consumer focused inkjet kits. The Company has prepared these financial statements on the accrual basis of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimated and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers deposits in banks and other investments purchased with a maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivables are recorded at the amount the Company expects to collect on balances outstanding at year-end. Management closely monitors outstanding balances and writes off any balances they deem uncollectible by the time the financial statements are issued. As of July 31, 2015 and 2014, accounts receivable totaled \$5,754 and \$5,040. There is no allowance for bad debts.

Machinery and Equipment

Acquisitions of machinery and equipment in excess of \$1,000 are capitalized. Machinery and equipment are stated at cost. Depreciation is computed using the modified accelerated cost recovery system and amounted to \$ -0- for the year ended July 31, 2015 and \$1,690, for the year ended July 31, 2014.

Income Taxes

The Company has loss carryforwards totaling \$1,349,534 that may be offset against future taxable income. If not used, the carryforwards will expire as follows:

	<u>Operating Losses</u>
Year 11	\$ 374
