

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS.

The following discussion and analysis should be read in conjunction with the financial statements and the accompanying notes thereto and is qualified in its entirety by the foregoing and by more detailed financial information appearing elsewhere. See "Financial Statements."

Results of Operations

The following table presents, as a percentage of sales, certain selected financial data for the two fiscal years ended March 31, 2013 and March 31, 2014.

	Years Ended March 31			
	2014		2013	
Sales	\$ 3,500	100.0%	\$ 13,250	100.0 %
Cost of sales	\$ 0	0%	\$ 00	00.0 %
Gross Profit	\$ 3,500	100.0%	\$ 13,250	100.0 %
General and Administrative Expenses	\$ (22,199)	634.0%	\$ ((-8,587)	.640 %
Interest income (expense)	\$ (6,384)	(85.9)%	\$ (25,901)	223.0 %
Net income (loss) before Income taxes	\$ (25,083)	(716.7)%	\$.(21,238)	160.3. %

Sales

Sales decreased from \$13,250 in the fiscal year ended March 31, 2014 to \$3,500 in the fiscal year ended March 31, 2014. The decrease in sales attributable primarily to our decreased marketing budget.

Gross profit decreased from \$13,250 in fiscal year ended March 31, 2013 to \$3,500 in fiscal year 2014. The decrease in gross margin was attributable to company low revenue as above..

Selling, General and Administrative Expense

Selling, general and administrative expenses increased to \$22,199 in fiscal year 2014 from \$8,587 in fiscal year 2013.

- Consulting costs to related party increased to \$2,000 in fiscal year 2014 from \$0 in 2013
 - Professional fees increased to \$16,547 in fiscal year 2014 from \$6,288 in 2013
 - Other expenses increased to \$3,652 in fiscal year 2014 from \$2,299 in 2013.
- However, Dr. George Morris and the Board of Directors have agreed to contribute their time and expertise to research and start operations,

Net Profit (Loss)

We had a net loss from operations, with no provision for income taxes, in the fiscal year ended March 31, 2014 of \$25,083 a reorganization p482, or \$0.00 a share of our common stock. In the fiscal year ended March 31, 2013 we had a net loss, after a provision for income taxes, of \$21,238 or \$0.00 per share of common stock. The loss decrease was primarily due to reorganization.

Balance Sheet Items

The net loss of \$25,083 for the fiscal year ended March 31, 2014 increased the retained earnings deficit from \$742,324 on March 31, 2013 to \$752,185 on March 31, 2014. Our cash position decreased to \$430 as of ended March 31, 2014 from \$4,731 as of March 31, 2013. Accounts receivable reduced to \$0 at March 31, 2014 from \$2,500 at March 31, 2013. Accounts Payable decreased to \$0 on March 31 2014 from \$3,139.

Outlook

The statements made in this Outlook are based on current plans and expectations. These statements are forward-looking, and actual results may vary considerably from those that are planned.

We have been able to stay in operation only (1) from the initial cash flow from the sale of consulting services, and (2) because George Morris, our President personally advanced funds to our Company when needed.

Internet Infinity, Inc. management believes that it will not generate sufficient cash flow to support operations during the twelve months ended March 31, 2016. Although sales could decrease and expenses could increase and even if our Company can generate a net profit and positive cash flow from operations, additional funds will be necessary for continued operation of the Company.

Our auditors have issued a going concern statement in Note 2 of the attached financial statements.

Off-Balance Sheet Arrangements

Our company has not entered into any transaction, agreement or other contractual arrangement with an entity unconsolidated with us under which we have

- an obligation under a guarantee contract,
- a retained or contingent interest in assets transferred to the unconsolidated entity or similar arrangement that serves as credit, liquidity or market risk support to such entity for such assets,
- an obligation, including a contingent obligation, under a contract that would be accounted for as a derivative instrument, or
- an obligation, including a contingent obligation, arising out of a variable interest in an unconsolidated entity that is held by, and material to, us where such entity provides financing, liquidity, market risk or credit risk support to, or engages in leasing, hedging, or research and development services with, us.

CERTIFIED PUBLIC ACCOUNTANTS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
Internet Infinity, Inc. (A Development Stage Company):

We have audited the accompanying balance sheet of Internet Infinity, Inc. (the “Company”) as of March 31, 2013, and the related statement of operations, changes in stockholders’ deficit and cash flows for the year ended March 31, 2013. These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Company as of March 31, 2012, were audited by other auditors, whose report, dated July 2, 2012, expressed an unqualified opinion on those financial statements and also included an explanatory paragraph that raise substantial doubt about the Company’s ability to continue as a going concern.

We conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company was not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Company’s internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of March 31, 2013, and the results of its operations and its cash flows for the year ended March 31, 2013, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2, the Company has had minimal revenues and a stockholders’ deficit of \$742,324 as of March 31, 2013. These conditions, among others, raise substantial doubt about the Company’s ability to continue as a going concern. Management’s plans concerning these matters are also described in the financial statements, which includes the raising of additional equity financing. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
