Re: Legal Opinion concerning Adequate Current Information of Lighthouse Petroleum, Inc.
(Symbol—LHPT)

Ladies/Gentlemen:

You are entitled to rely on this letter in determining whether Lighthouse Petroleum, Inc. (the "Issuer" or "Company") has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

I am a resident of the United States and have been retained by the Issuer for the purpose of rendering this letter and related matters. My relationship with the Issuer includes, over and above writing this letter, serving as general corporate counsel for the Issuer which duties may include preparing or reviewing disclosure information and press releases, interfacing with the chief financial officer and independent accountants, and giving general legal advice to management.

I have examined such corporate records and other documents and such questions of law as I have considered necessary or appropriate for purposes of writing this letter. In all such examinations, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies and the authenticity of all originals of such documents submitted as copies. Further, in all such examinations, I may have relied on information obtained from public officials, officers of the Issuer, and other sources, and represent that all such sources are believed to be reliable.

This letter relates to the laws of the United States, specifically Federal securities law. I have been a member in good standing of the bar of the State of Utah continuously since 2006, and am permitted to practice before the Securities and Exchange Commission (the "SEC") and I have not been prohibited from practice thereunder.

The Issuer is not a reporting company and, therefore, does not file annual or other reports with the SEC. I have reviewed publicly available information relating to the Issuer including: the Issuer's profile posted on the OTC Markets Group website; their previous quarterly and annual reports filed with the OTC Markets Group; their most recent Annual Report and Supplemental Information for the period ended December 31, 2013, filed with the OTC Markets Group on April 10, 2014; their most recent quarterly report for the period ended September 30, 2013 filed with the OTC Markets Group February 14, 2013; and the Initial Company Information and Disclosure Statement filed with the OTC Markets Group on November 5, 2008 (the "Information").

It is my opinion that the Information (i) constitutes adequate current public information concerning the Issuer's securities and is available within the meaning of Rule 144(c)(2) under the Securities Act of 1933; (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"); (iii) complies as to form with the OTC Markets Group's Guidelines for Providing Adequate Current
