Re: Greenscape Laboratories, Inc. (MJLB)
Annual Information and Disclosure Statement
Years Ended December 31, 2015 and 2014, as published on March 10, 2016 and
February 12, 2015, respectively, by OTC Disclosure & News Service

Ladies and Gentlemen,

My office has been engaged by Greenscape Laboratories, Inc., (a.k.a. Ultrack Solutions, Inc.) (the "Company") to be its special securities counsel. My services include preparing or reviewing disclosure information, interfacing with the Chief Accounting Officer and independent accountants, if any. I have examined such corporate records and other documents and have asked such questions of law as I have considered necessary or appropriate for the purpose of writing this letter. I have relied on publicly available information from the Secretary of State of the State of Nevada and information obtained from the Company's officers and directors. I have also reviewed the following documents published at www.OTCMarkets.com and publicly available through the OTC Disclosure and News Service in connection with the preparation of this letter:

- The Company's Annual Financial Reports for the years ended December 31, 2015 and 2014, as published on March 10, 2016 and February 12, 2015, respectively;
- The Company's Quarterly/Periodic Reports for the Quarters ended March 31, 2015, as published May 20, 2015; June 30, 2015, as published March 9, 2016 and September 30, 2015, as published March 10, 2016;
- The Company's Articles of Incorporation and Restated Articles of Incorporation, as published on August 21, 2013;
- And such other information that I considered necessary under the specific circumstances.

I believe the sources I have relied upon to be reliable. In my examination, I have assumed the genuineness of documents and other information provided by the Company, without independent investigation.

This opinion is based expressly on the facts stated herein, and may not be relied upon in the event that other facts, not presently known to me, come to light. Opinion letters of counsel are not binding upon the OTC Markets or the Courts, and to the extent that persons relying upon this letter may have knowledge of facts or circumstances that are contrary to those upon which this opinion is based, this opinion would not be applicable and will result in another opinion. The opinions expressed herein are limited to the Federal Law of the United States of America, specifically the Securities Act of 1933, the Rules and Regulations relating thereto, and no opinion is provided regarding any federal or state law not specifically referenced herein. I am a member in good standing of the bar of the State of Arkansas since 1990, am a resident of the United States and am permitted to practice before the Securities and Exchange Commission ("SEC") and have not been prohibited from practice thereunder.

The Company is not a reporting issuer pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") and, therefore, does not file periodic reports with the SEC. The Financial Statements, as published, are unaudited.

This information constitutes, in my opinion, adequate current public information concerning the Company's securities and is available within the meaning of Rule 144(c)(2) under the Securities Act. It includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the securities under Rule 15c2-11 under the Exchange Act and complies as to form with the OTC Market's Guidelines for Providing Adequate Current Information.

The person responsible for the preparation of the Company's financial statements is Michael S. Marsbergen. He has been involved in the Fleet tracking industry since early 2006. He has seen the changes in the industry and would like to think he is leading the way with regards to the development of various products. He is a licensed Class A mechanic since 1978, licensed Horticulturist, Landscaper, Greenskeeper since 1988 and a Certified A+ computer technician since 1991. In 2006 while working for a Bell Canada pilot project involving GPS Fleet tracking he was responsible for the installation of over 800 units in a 6 month period across Canada. In 2007-2009 he was working for Rogers Communication installing their 3G telecom equipment. In 2010 was contracted by ResQ mobile services to perform installations in over 1700 Beck Taxi's. After my contract with ResQ mobile services he started Ultrack Solutions, Inc., which currently has 3 major projects on the go. He believes that there will be tremendous growth in the industry over the next 3-4 years especially with the emergence of the IoT (internet of things). Greenscape Laboratories, Inc. (which has applied with FINRA for a name change to Ultrack, Inc.) will be at the forefront. Mr. Marsbergen is familiar with the operations of Greenscape Laboratories, Inc. and he oversees the preparation of the Company's books and records, with the assistance of others to ensure their compliance with US GAAP.

The Company's transfer agent is Madison Stock Transfer, Inc., which is registered with the SEC. The method used to confirm the number of outstanding shares of common stock set forth in the Information Statement was to obtain a written printout of the shares as shown on the transfer agent's records as to the number of outstanding shares. The transfer agent is SEC registered as confirmed by checking the SEC's system.

The undersigned has spoken with management and the directors of the Company. The undersigned has reviewed the Information Statement, as presently published by the Company through the OTC Disclosure and News Service. The undersigned discussed the disclosed information with management and all of the directors of the Company.

To the best of my knowledge, after inquiry of management and the directors of the Company, neither counsel nor any officer, director or 5% or greater holder of the outstanding securities of the Company is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws.

I have compiled and list below the names of each executive officer, director, general partner and other control person of the Company and promoter, finder, consultant or any other advisor of the Company who assisted, prepared or provided information with respect to the Company's disclosure or who received securities as consideration for services rendered to the Company and the following information related to each: (i) their full name, (ii) their business address, (iii) the number and class of the Company's securities beneficially owned by each of them, (iv) with respect to each of the securities described in the preceding clause whether or not the certificate or other document that evidences the securities contains a legend stating that the securities have not been registered under the Securities Act and setting forth or referring to restrictions on transferability and sale of the securities and (v) a complete description of the consideration received by the Company in connection with each issuance of shares to any of them including, without limitation, the nature of any services performed for or on behalf of the Company. For purpose of this letter, the term "control person" includes (i) any person controlling, under common control with, or controlled by, the Company or (ii) any person who obtained securities of the Company in connection with a negotiation with the Company within the three-year period prior to the date of the opinion. With respect to any of the Company's control persons that is an entity and any parent entity of any control person, this letter provides the information for each control person of such entity or parent entity.
