## **COVID-19**

**As result of the global outbreak of the COVID-19 virus, on March 10, 2020, the Company evaluated its ongoing effort to prepare and file its Disclosure Statement for the year ended December 31, 2019.**

**Certain Company officers and management as well as professional staff and consultants are unable to conduct work required to prepare our Disclosure Statement or the year ended December 31, 2019. As a result, the Company expects to be unable to compile and review certain information required in order to permit the Company to file a timely and accurate Disclosure Statement for the year ended December 31, 2019, by the prescribed date without unreasonable effort or expense due to circumstances related to COVID-19.**

**On March 10, 2020, OTC Markets provided notice of conditional filing relief for companies affected by the COVID-19 virus (the "Notice") by giving ARS reporting companies an additional 45 days to file certain disclosure reports that would otherwise have been due between March 1 and April 30, 2020, such as the Company's Disclosure Statement for the year ended December 31, 2019. To qualify, companies must submit a Notification of Late Filing through OTCIQ.com, including a summary of why the relief is needed.**

**The Company is relying on the Notice for its Notification of Late Filing.**

Anticipated Filing Date: **Approximately 45 days after March 31, 2020.**

[Please be informed that the filing of this notification grants issuers 5 additional calendar days to post a Quarterly or Interim Report and 15 calendar days to post an Annual Report.]
