Item XVI: Management's discussion and analysis or plan of operation.

A. Analysis of Financial Condition and Results of Operations.

For the Period from January 1, 2017 through June 30, 2017

Revenues

Revenues for the quarter ending June 30, 2017 were \$0.

Operating Expenses

We had operating expenses of \$6,136 for the period ending June 30, 2017. Operating expenses were in connection with our daily operations, including but not limited to, consulting fees, accounting fees, compensation, rent, organization expense, legal and others.

Both operating costs and expected revenue generation are difficult to predict. There can be no assurance that revenues will be sufficient to cover future operating costs, and it may be necessary to continuously raise additional capital to sustain operations.

Income/Losses

Net loss was \$6,136 for the period ending June 30, 2017. The net loss was primarily attributable to the development costs of the Company's organizational plans and continued member recruitment.

Liquidity And Capital Resources

During the period ending June 30, 2017 net cash flows used in operating activities were (\$6,136).

During the period ending June 30, 2017 net cash flows used in investing activities were \$0.

During the period ending June 30, 2017 net cash flows provided by financing activities was \$0.

We had a deficit of (\$9,127.50) cash on hand as of June 30, 2017. On the short-term basis, we will be required to raise additional funds over the next 12 months to sustain operations. On the long-term basis, we will potentially need to raise capital to grow and develop our business.

C. Off-Balance Sheet Arrangements: None
