

SUPPLEMENTAL INFORMATION

NOVACAB INTERNATIONAL INC ANNOUNCES AN ADDITIONAL STRATEGIC EXPANSION

The Company has entered into negotiations with a firm that designs and provides for the fabrication of products used in the distribution of electricity.

The Company cannot disclose any details because it is bound by a Non Disclosure and Confidentiality Agreement.

This would be an important addition to our business and will complement our technology based on the use and transfer of electricity.

We are confident that an understanding will be reached between the Parties and we shall advise the shareholders of the important developments within 2 weeks according to the timeline set within the schedule for the exchange of information.
