**2015**

D. principal products or services, and their markets;

Orbital Enterprises, Inc. is a diversified technology company, specializing in the communications industry. The Company has operations in maintenance and repair of electronic devices, web design and hosting, television broadcasting and video streaming and encryption technology.

The Company operates a complete repair and service center at 6375 El Cajon Boulevard, San Diego, California 92115. The service center is staffed with six full-time technicians and a complete set of electronic testing equipment to repair the circuit boards of most electronic devices. The Company acquired this operation on June 30, 2007.

The Company is operating a television and filming studio using the trade name Orbital Edge located at 10320 Camino Santa Fe, Unit C, San Diego, California 92121. The studio owns state-of-the-art cameras, mixers and editing equipment. The Company produces and owns a television show running five days a week on Channel 48 in Las Vegas, Nevada. The Company also produces television advertising, corporate videos, training films, and public relations films. The Company acquired this operation from Berlian Group on June 30, 2007.

The Company's programming division has developed, and is developing, cutting edge programming for video streaming and encryption technology. This division also operates a web hosting and web design business. The company also has software that is licensed to other users and software developers. The products are sold by the management of the Company. The Company is not dependent on one or a few major customers. The Company does not have any patents, franchises, royalty agreements or labor contracts. The Company does not need any government approval of its principle products or services.

5) Describe the Issuer's Facilities:

The Company leases its main office which contains standard office supplies and equipment.

(Desks, Chairs, Computers, TV's, Servers, Printers etc.) in San Marcos, CA.
