INFORMATION STATEMENT

NOTICE OF STOCKHOLDER ACTION BY WRITTEN CONSENT

GENERAL INFORMATION

To the Holders of Common Stock of Oncologix Tech, Inc.:

This Information Statement has been filed with the OTC Pink Sheets to notify such Common Stockholders that on October 15, 2016, the Company received a unanimous written consent in lieu of a meeting of the holders of Series C Preferred Stock, par value \$.0001 per share (the "Series C Preferred"). The 100,000 shares of Series C Preferred have the equivalent of fifty-one percent (51%) of the votes of all outstanding Common and Preferred Stock. Currently, there are two holders of Series C Preferred (the "Series C Stockholders"), holding all 100,000 shares of Series C Preferred, resulting in the Series C Stockholders holding in the aggregate 51% of the total voting power of all issued and outstanding voting capital of the Company (the "Majority Stockholders"). The Majority Stockholders authorized the following:

- The increase in the number of authorized shares of Common Stock from seven hundred fifty million (750,000,000) shares of Common Stock to seven billion (7,000,000,000) shares of Common Stock (the "Authorized Share Increase");

We have attached as Appendix A hereto a form of the proposed amendment to the Articles of Incorporation, the increase in authorized shares of common stock to seven billion.

On October 15, 2016, the Board of Directors of the Company (the "Board") approved, and recommended for approval to the holders having the power to vote with respect to the Common Stock, the Authorized Share Increase (the "Action"). On October 15, 2016, the Majority Stockholders approved the Action by written consent in lieu of a meeting in accordance with the Nevada Corporation Law. Accordingly, your consent is not required and is not being solicited in connection with the approval of the Action.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND A PROXY.

The Board believes that the Common Stockholders of the Company will benefit from the Action because it believes that the Company will be able to raise capital to allow the Company to get current with our Exchange Act filings, retire legacy convertible debt, raise expansion and growth capital for current enterprises, to attract new investors for investment in its medical equipment businesses and to fund potential future acquisitions. Currently the Company does not have any pending company acquisitions.

Accordingly, it was the Board's opinion that the Action would better position the Company to attract potential business candidates and provide the Common Stockholders a greater potential return.

By Order of the Board of Directors,

/s/ Michael A. Kramarz

ITEM 1 - INFORMATION STATEMENT

INTRODUCTION

Sections 78.385 and 78.390 of the Nevada Revised Statutes provide that the written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted can approve an action in lieu of conducting a special stockholders' meeting convened for the specific purpose of such action. Nevada Statutes, however, requires that in the event an action is approved by written consent, a Company must provide prompt notice of the taking of any corporate action without a meeting to the stockholders of record who have not consented in writing to such action and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Company.

This report contains a brief summary of the material aspects of the Action approved by the Board of Directors (the "Board") of Oncologix Tech, Inc. (the "Company," "we," "our," or "us") and the holders of Series C Preferred Stock (the "Series C Preferred"), which has voting rights with respect to the Common Stock and constitutes a majority of the voting power of the Common Stock.

SERIES C PREFERRED STOCK

By unanimous written consent of the Board (as permitted under Nevada Statutes), the designation, rights, preferences and privileges of the Series C Preferred were established by the Board (as is permitted under Nevada Statutes and by the Certificate of Incorporation, as amended, of the Company). The designation, rights, preferences and privileges that the Board established for the Series C Preferred is set forth in a Certificate of Designation that was filed with the Secretary of State of the State of Nevada on October 7, 2016. Among other things, the Certificate of Designation provides that the 100,000 shares of Series C Preferred have the equivalent of fifty-one percent (51%) of the votes of all the outstanding shares of Common and Preferred Stock.

As of August 31, 2017, there were issued and outstanding (i) 736,615,725, shares of our Common Stock (representing 736,615,725 votes), (ii) 100,000 shares of our Series C Preferred (representing 864,873,671 votes), (iii) 78,561 shares of our Series D Preferred (representing 94,276,800 votes) and (iv) 129,062 shares of our Series A Preferred (representing 64,531 votes). Based on the foregoing, the total aggregate amount of votes entitled to vote regarding the approval of the Actions is one billion, six hundred ninety-five million, eight hundred thirty thousand, seven hundred twenty-seven (1,695,830,727) (the sum of the votes represented by the issued and outstanding shares of Common Stock, Series C Preferred, Series D Convertible Preferred and Series A Convertible Preferred). Pursuant to Nevada Statutes, a majority of the voting equity of the Company, or at least eight hundred thirty million, nine hundred fifty-seven thousand fifty-seven (830,957,057) votes, are required to approve the Action by written consent. The Series C Stockholders, holding eight hundred sixty-four million, eight hundred seventy-three thousand six hundred seventy-two (864,873,672) votes or approximately 51% of the voting equity of the Company, has voted in favor of the Action, thereby satisfying the requirement under Nevada Statutes that at least a majority of the voting equity vote in favor of a corporate action by written consent.

The following table sets forth the name of the Series C Stockholders, the number of shares Common Stock, and of Series C Preferred held by the Series C Stockholders, the total number of votes that the Series C Stockholders voted in favor of the Action and the percentage of the issued and outstanding voting equity of the Company that voted in favor of the action.

Name of Stockholder	Number of Shares of Common Stock Held	Number of held by Series C Stockholder	Total Number Votes Held by Stockholder	Percentage the Voting Equity
Michael Kramarz	0	432,436,836	432,436,836	25.5%
Harold Halman	0	432,436,836	432,436,836	25.5%

ACTION TO BE TAKEN

The Authorized Share Increase will become effective on August 31, 2017, the date that we file the Amended and Restated Certificate of Incorporation of the Company (the “Amendment”) with the Secretary of State of the State of Nevada.

With respect to the Action described in this Information Statement, the Board reserves the right, notwithstanding that the Series C Stockholders have approved such Action, to elect not to proceed with such Action if, at any time prior to filing the Amendment, the Board, in its sole discretion, determines that it is no longer in the Company’s best interests and the best interests of the Company’s stockholders to consummate the Action.

INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

GENERAL

The number of authorized shares of our Common Stock will be increased from seven hundred fifty million (750,000,000) shares to seven billion (7,000,000,000) shares (the “Authorized Share Increase”).

PURPOSE AND EFFECT OF INCREASING THE NUMBER OF AUTHORIZED SHARES

The additional shares of common stock for which authorization is sought would be part of the existing class of Common Stock, if and when issued. These shares would have the same rights and privileges as the shares of Common Stock currently outstanding. Holders of the Company's Common Stock do not have preemptive rights to subscribe for and purchase any new or additional issues of Common Stock or securities convertible into Common Stock.

The Board of Directors believes that the increase in the number of authorized shares of Common Stock is in the best interests of the Company and its stockholders. The purpose of increasing the number of authorized shares of Common Stock is to have shares available for issuance for such corporate purposes as the Board of Directors may determine in its discretion, including, without limitation:

- Raise capital necessary to fund financial statement, audits and review, to become current with Exchange Act filings
- Retiring legacy convertible debt
- Raise capital for current business growth and expansion
- Attract new investors into medical equipment business
- Provide funding for future, potential acquisitions.

The Company is actively pursuing financings which may result in the issuance of additional shares of Common Stock. As previously disclosed by the Company's periodic SEC filings, the Company needs to eliminate aged convertible notes in the event that note holders decide to convert their notes into shares of the Company's common stock. Currently the Company has approximately \$3,100,000 in aged convertible securities as of the mailing of this information statement. Below is a list of the legacy convertible notes outstanding and the

anticipated one-year share needs to convert and sell the debt into the market. The Company anticipates converting out approximately 1/3 of the debt over the next year which would require approximately 5 billion of the 6.25 billion share increase which shall be reserved for such conversions. In addition, a further 6,173,750 shares shall be reserved for outstanding stock options and 1,000,000 shares shall be reserved for outstanding warrants and 30,000,000 shares shall be reserved for pending common stock issuances related to employment agreements.
