## QUARTERLY REPORT

**For the period ending June 30, 2012**

**September 20, 2012**

# **Oriens Travel & Hotel Management Corp**

**Information required for compliance with the provisions of the  
OTC Markets Group Inc. (f/k/a Pink Sheets, LLC)  
Guidelines for Providing Adequate Limited Information**

The following information specifies forward-looking statements of our management; this Issuer Information Statement contains certain “forward-looking statements” (as such term is defined in Section 21E of the Securities Exchange Act of 1934, as amended). These statements reflect our current expectations regarding our possible future results of operations, performance, and achievements. These forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, regulation of the Securities and Exchange Commission, and common law.

Wherever possible, we have tried to identify these forward-looking statements by using words such as “anticipate,” “believe,” “estimate,” “expect,” “plan,” “intend,” and similar expressions. These statements reflect our current beliefs and are based on information currently available to us. Accordingly, these statements are subject to certain risks, uncertainties, and contingencies, which could cause our actual results, performance, or achievements to differ materially from those expressed in, or implied by, such statements. These risks, uncertainties and contingencies include, without limitation, the factors set forth under in this document. We have no obligation to update or revise any such forward-looking statements that may be made to reflect events or circumstances after the date of this Issuer Information Disclosure.

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities in the balance sheet and revenue and expenses in the statement of operations. Actual results could differ from those estimates. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year.
