**PERMANENT TECHNOLOGIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE FISCAL YEAR ENDED MARCH 31, 2016**

**NOTE 1: NATURE OF OPERATIONS**

Permanent Technologies, Inc. (the “Company”) is in the business of designing and manufacturing a patented multi-faceted, vibration-proof, self-locking nut and bolt system to be used in the fastener industry. The Company also manufactures and sells a patented removal tool. The patents include patents registered in USA, EU, and China.

**NOTE 2: BASIS OF ACCOUNTING AND GOING CONCERN ASSUMPTION**

The accompanying financial statements present financial results on an accrual basis of accounting.

The financial statements have been prepared on a going concern basis, which presumes the realization of assets and discharge of liabilities in the normal course of business for the foreseeable future.

The Company has not realized profit from operations since its inception. As of March 31, 2016, the Company is in the development stage and will not generate significant revenues or profitable operations in the near future and there can be no assurance that it will either achieve or maintain profitability in the future. As a result, the Company may be unable to continue as a going concern.

The Company will also require additional capital to fund its continuing operations and development. The Company’s ability to continue as a going concern is dependent on its ability to raise additional capital, bring its products to market and achieve and maintain profitable operations. The outcome of these matters cannot be predicted at this time. These financial statements do not include any adjustments which might be necessary should the Company be unable to continue its operations.

**NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Cash Equivalents Policy**

All of the Company’s cash was placed in an escrow account with the Company’s counsel. At times the balance on deposit exceeds federally insured limits. To date, the Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents. For purposes of the cash flow statement, other receivables have been treated as a cash equivalent.

**Inventories**

The Company values its inventories at cost using the first in first out (FIFO) basis.

**PERMANENT TECHNOLOGIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE FISCAL YEAR ENDED MARCH 31, 2016**

**NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Equipment and Patents**

Equipment and patents are stated at cost. Depreciation is computed using the straight-line method based on the following recovery periods:

	<u>Recovery Period (in years)</u>
Furniture and Technology Equipment	5
Testing Equipment	7
Patents	15

**NOTE 4: RELATED PARTY TRANSACTIONS**

None.

**NOTE 5: RECEIVABLES**

As of March 31, 2016, the Company does not have any receivables.

**NOTE 6: LONG TERM DEBT**

As of March 31, 2016, the Company does not have any long term debt.

**NOTE 7: LEASES**

As of March 31, 2016, the Company is currently not obligated under any leases.

**NOTE 8: INCOME TAXES**

The Company is organized as a corporation and is taxed according to the corporate laws for federal and state tax purposes. As of March 31, 2016, there are no federal or state taxes due.

**NOTE 9: CAPITAL STRUCTURE**

The Company is organized as a Nevada corporation and as of March 31, 2016 has contributed capital in the amount of \$1,567,677.
